# 喬斯達家的族譜

廣瀨康一

仗助的同班同學。在一個偶然的機會下，認識了仗助，兩人成了好友。他也具有替身能力。此替身就是會操縱聲音的「ECHOES」。

東方仗助

杜王町的高一學生。是個直腸子的人，但只要被批評髮型，立刻怒髮衝冠要修理人。血緣上算是承太郎的「舅舅」。

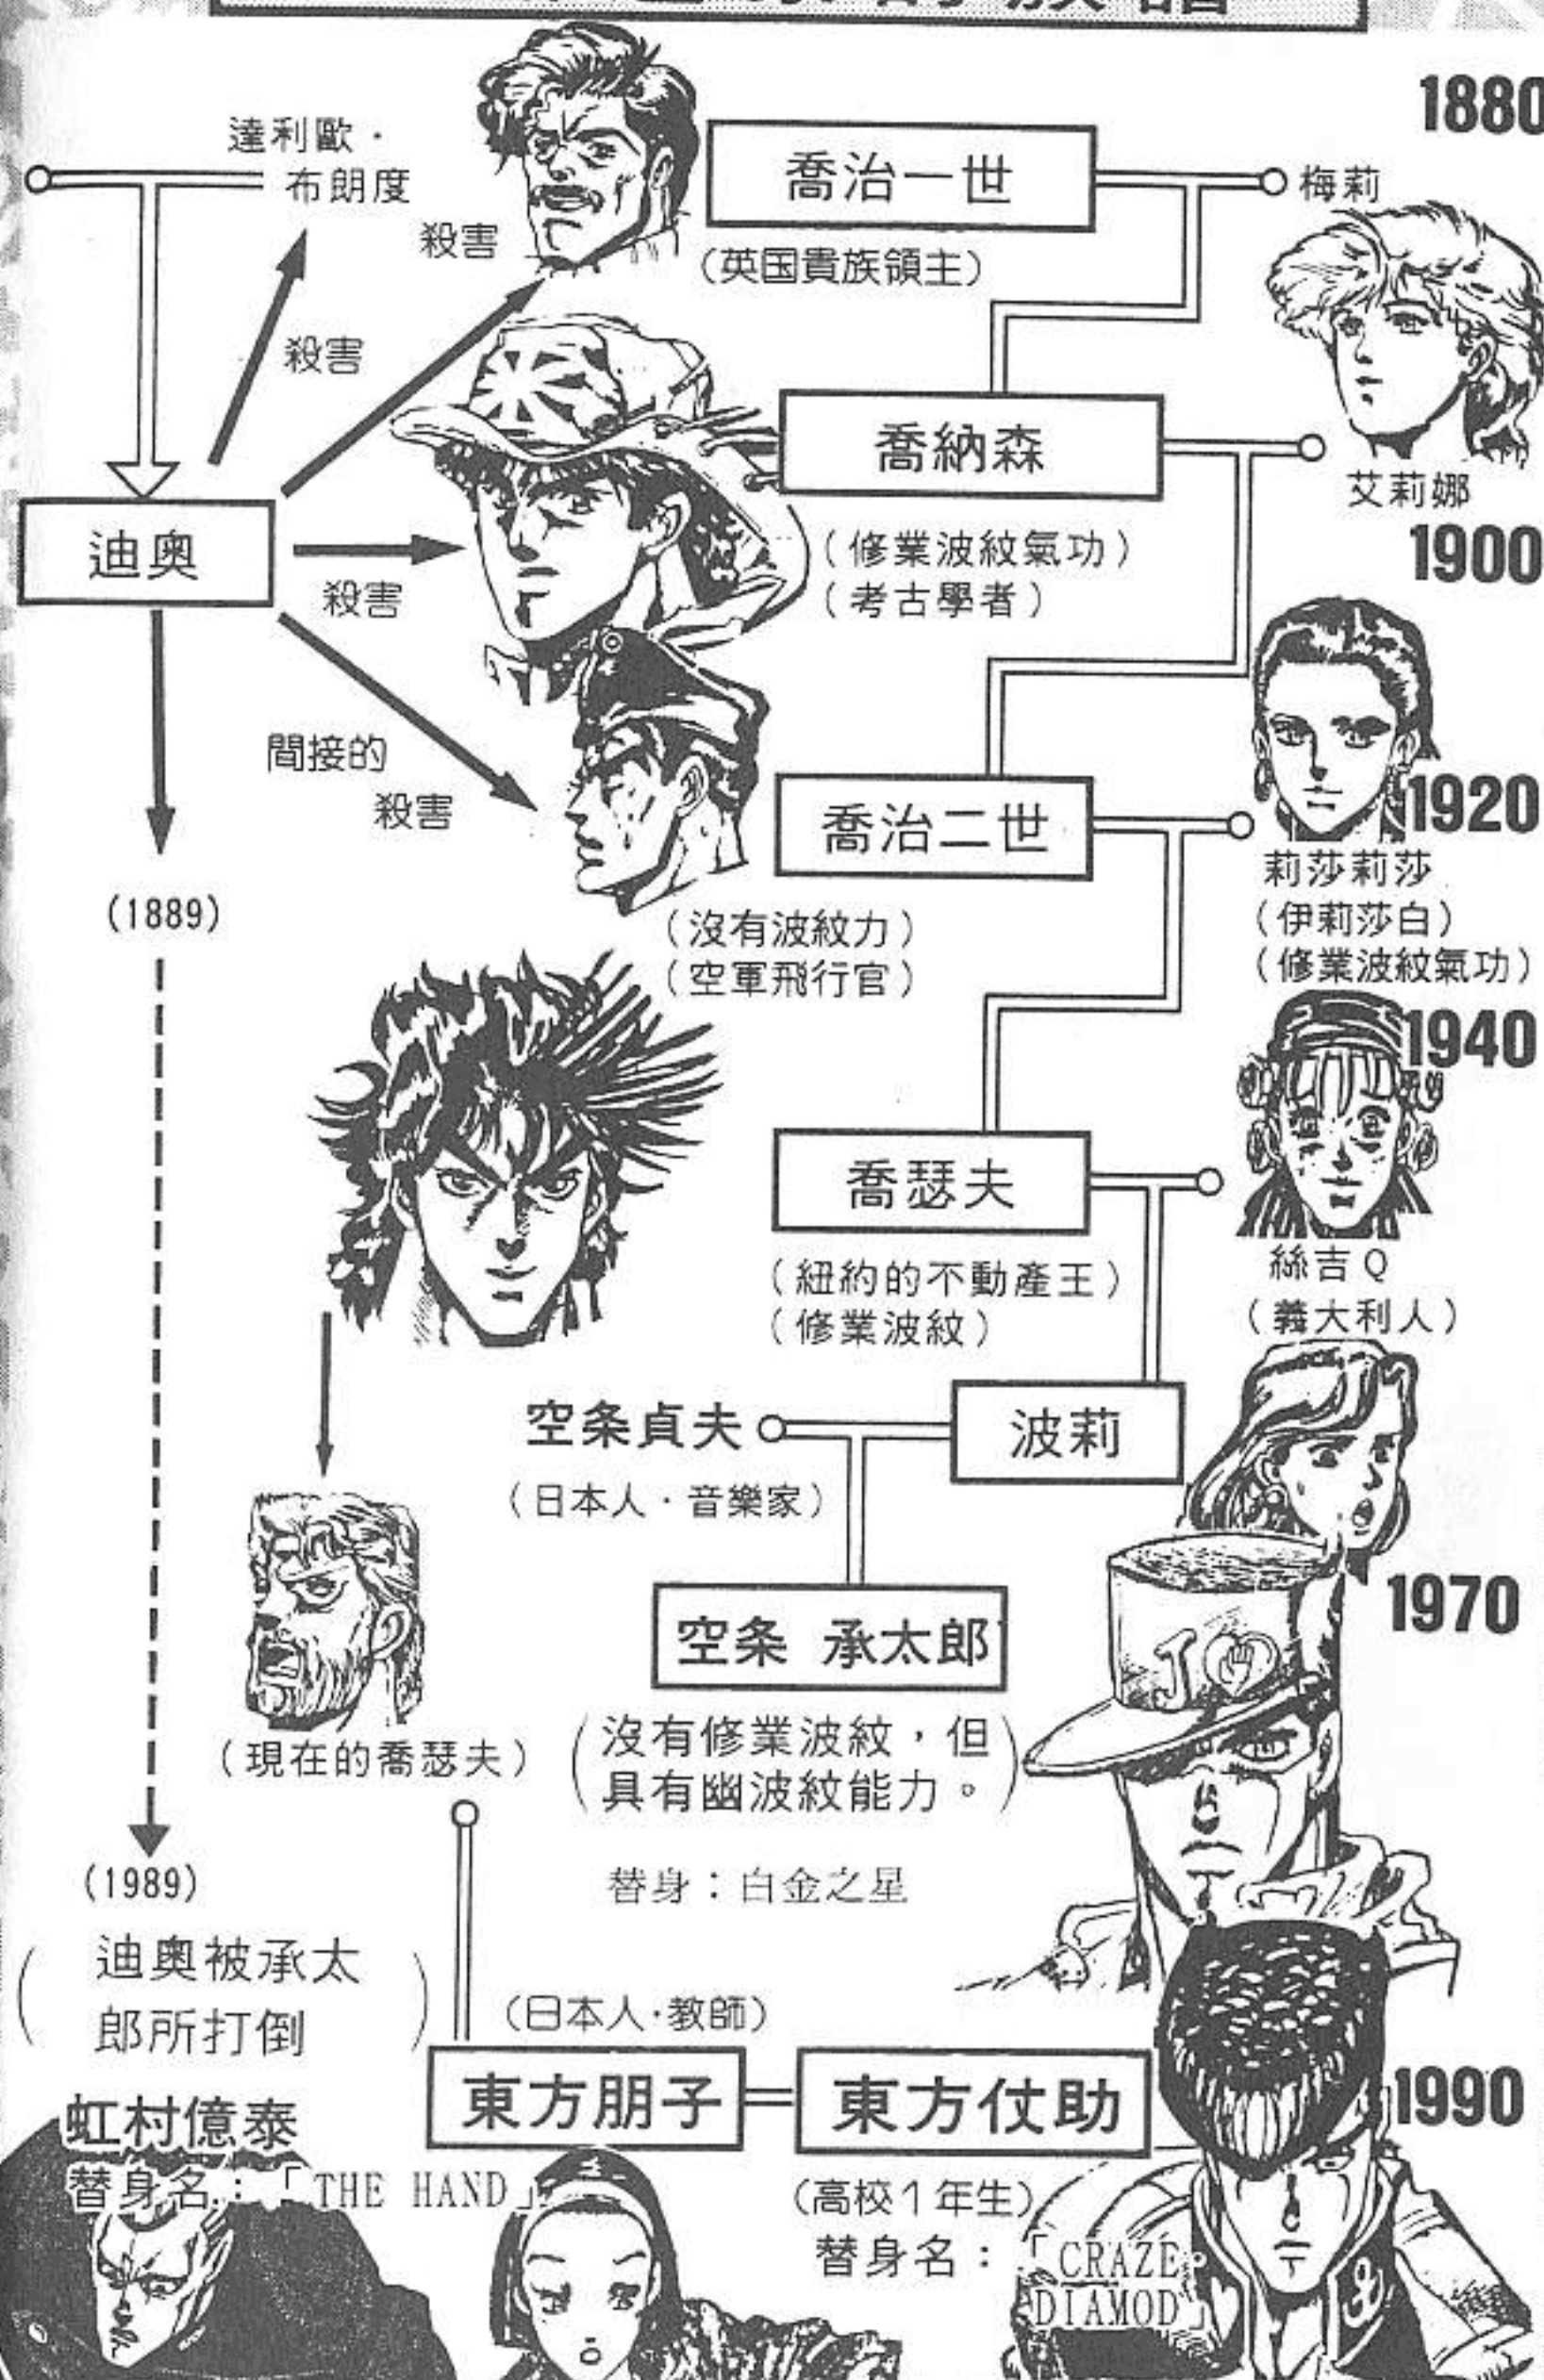

空條承太郎

具有類似守護靈的超能力替身。在他打倒迪奧之後，成為有名的海洋冒險家。

## ★前情提要★

這是一段歷經一個世紀以上，有關迪奧與喬斯達家族深刻淵緣的故事。現代的日本——喬瑟夫·喬斯達的孫子空條承太郎（亦為喬瑟夫）擁有號稱替身的超能力。為了拯救被替身所害的母親波莉，他必須要打倒始作俑者迪奧！於是喬瑟夫與其伙伴便前往埃及，他們陸續擊潰迪奧派來的替身殺手，終於抵達埃及，而找到迪奧所在的館邸。在失去阿布德爾、伊奇和花京院三個伙伴後，承太郎終於打倒迪奧，結束這場宿命的對決。

一九九九年日本，空條承太郎來到這裡一個平凡的地方都市S市杜王町，是為了來尋找他的舅舅——東方仗助。有一天，暗戀康一的山岸由花子將康一幽禁在別墅中，後被康一的替身所打敗！

When I traveled throughout the world for the best herb and recipe for my cooking I discovered my ability....

In Italy, people like me can't open a restaurant by myself, even obtaining a license is too difficult. but here in Japan, competition is very intense between the restaurants of different cooking styles, so the chances are great, so I came.

are also a stand user, right?

you....

I have been growing fast of late, I want to try to fight him one of this days.

But before that, I want to kill just to "practice" a little.

His star platinum is too fast and strong, no weaknesses, can even stop time...

ha ha..... Jotaro told me earlier

His star platinum to me is a real threat

No I didn't

I just know everything your stand is capable of...

YOU MEAN THE  
STAND THAT'S  
CALLED RED  
CHILLI HOT PEPPER

in my house  
the night  
before last

yeah....

he  
appeared?

WHY DON'T YOU  
TELL ME THIS!?

hopefully  
Okuyasu won't  
take any action  
on his own.

once Red chilli hot pepper is  
mentioned, Okuyasu's expression always  
changes instantly, we were trying not to talk  
about things related this this.  
even if Keicho deserves what happened, but he  
was killed by red chilli hot pepper, so  
Okuyasu gets mad everytime someone  
metions his brother

.....

鳴

KOICHI!!

CASE DON'T

I thought mom  
threw it out

啊  
!

last time I did  
my homework,  
but in the  
morning I can't  
find it

WE GOTTA  
FIND HIS  
BODY ASAP

I really feel his  
power increasing  
recently

even red chilli hot pepper  
hasn't done anything  
big scale yet, but we will  
never know one day he  
might just pull one of  
us into the wire.

the worse  
thing is

or maybe  
he will make  
more people  
stand users

no....

Jotaro, you  
told us to  
come  
because of  
this?

Josuke

but  
how  
to look  
for?

there is electricity  
everywhere in town  
saying it may  
jeopardise your  
safety

啊  
!

I told Josuke  
not to  
say anything

steal their  
stuff, I saw  
him myself  
with a bunch  
of jewelry  
and cash

He even  
got into  
people's  
houses

JOTARO

I also  
feel bad  
when I hear  
red chilli  
hot pepper

Okuyasu  
don't be  
angry

that's why I  
called you to  
this remote  
location

do you know him really well?!

how old is he?

really old?

but, he is getting really old, doesn't have enough strength to fight him

right, his stand hermit purple can dive into the wire and follow the stand to its body

stand user!

2 years ago he had surgery to remove gallstone, plus cataract....

right, now he even needs a cane to get around

a wasted old man after all...

啊!

Before he was smart, proud and powerful but now....

um.... yea... I know him really well....

80...

actually 79

before he only ate T-bone steaks, now he has only fake teeth, a little retarded of late...

don't make play games with a old retarded piece of wood

please....

no way

啊!

I know a person that can take out the guy's original body, he arrives Duwang docks this noon.

I have an idea

that's only 20, 30 min later!

HE USES A STAND?

TO FIND OUT RED CHILLI HOT PEPPER'S ORIGINAL BODY!?

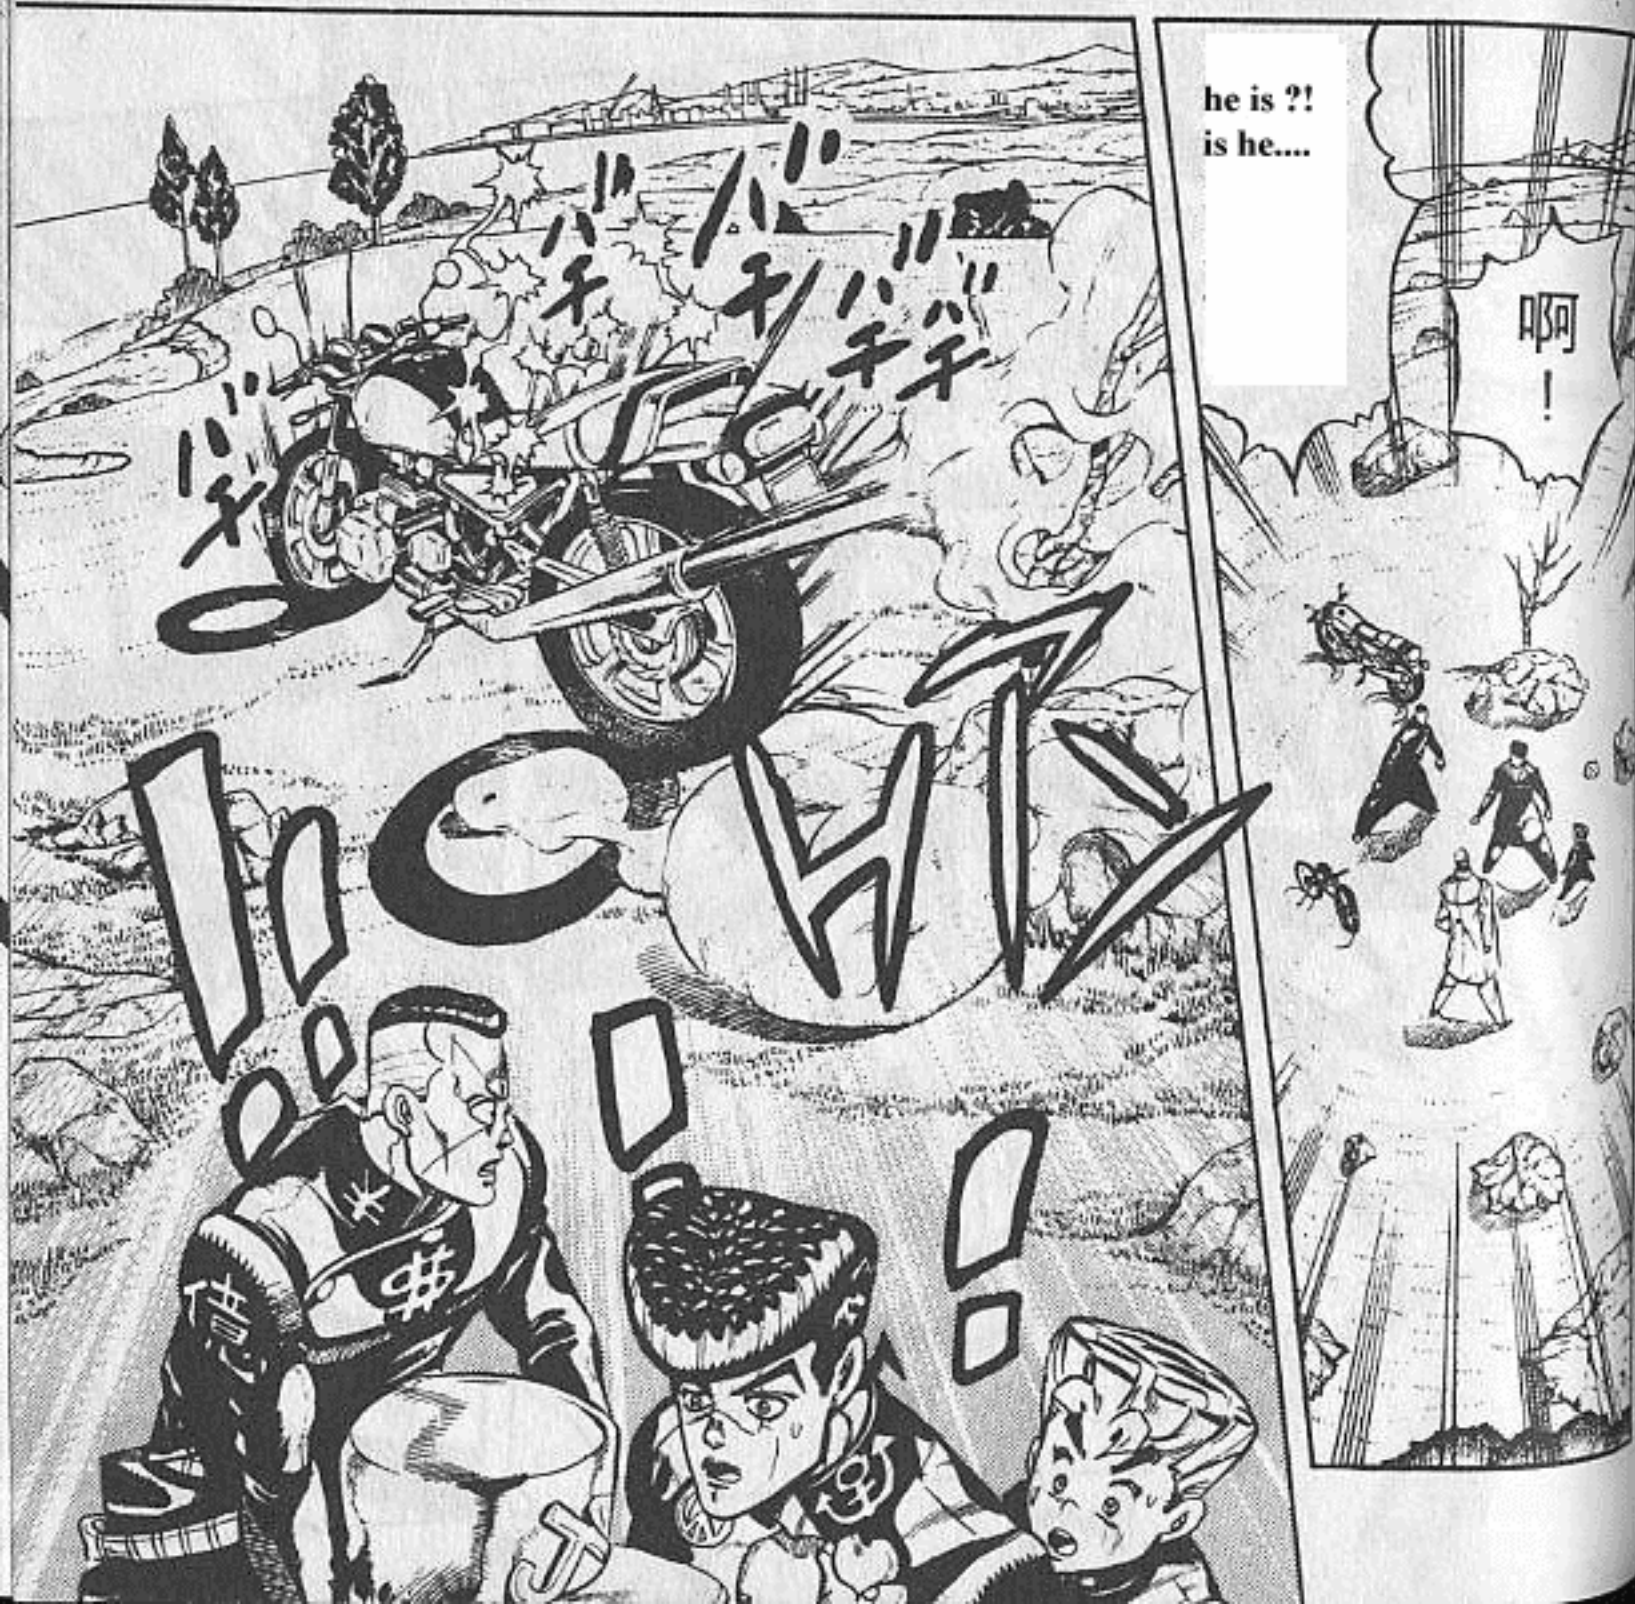

アッ?

what

what's wrong?!

Josuke! a stand user that's 79 years old!

wow! this is not good!

he is?! is he....

アッ!

but when grandpa heard about the bow and arrow, he decide to come by himself!

yes, I also told him not to come

very trouble some

he's foreign?

T-bone?

Because the thing Red chilli hot pepper worries the most is letting us find out his body!

I asked you guys to come just to protect grandpa, if Red chilli hot pepper find grandpa first, he will undoubtedly kill grandpa!

hold! wait

The grandpa you said just now, is he....

He heard  
it all!

My bike?!

Damn! he  
hid in the  
battery and  
followed all  
the way here!

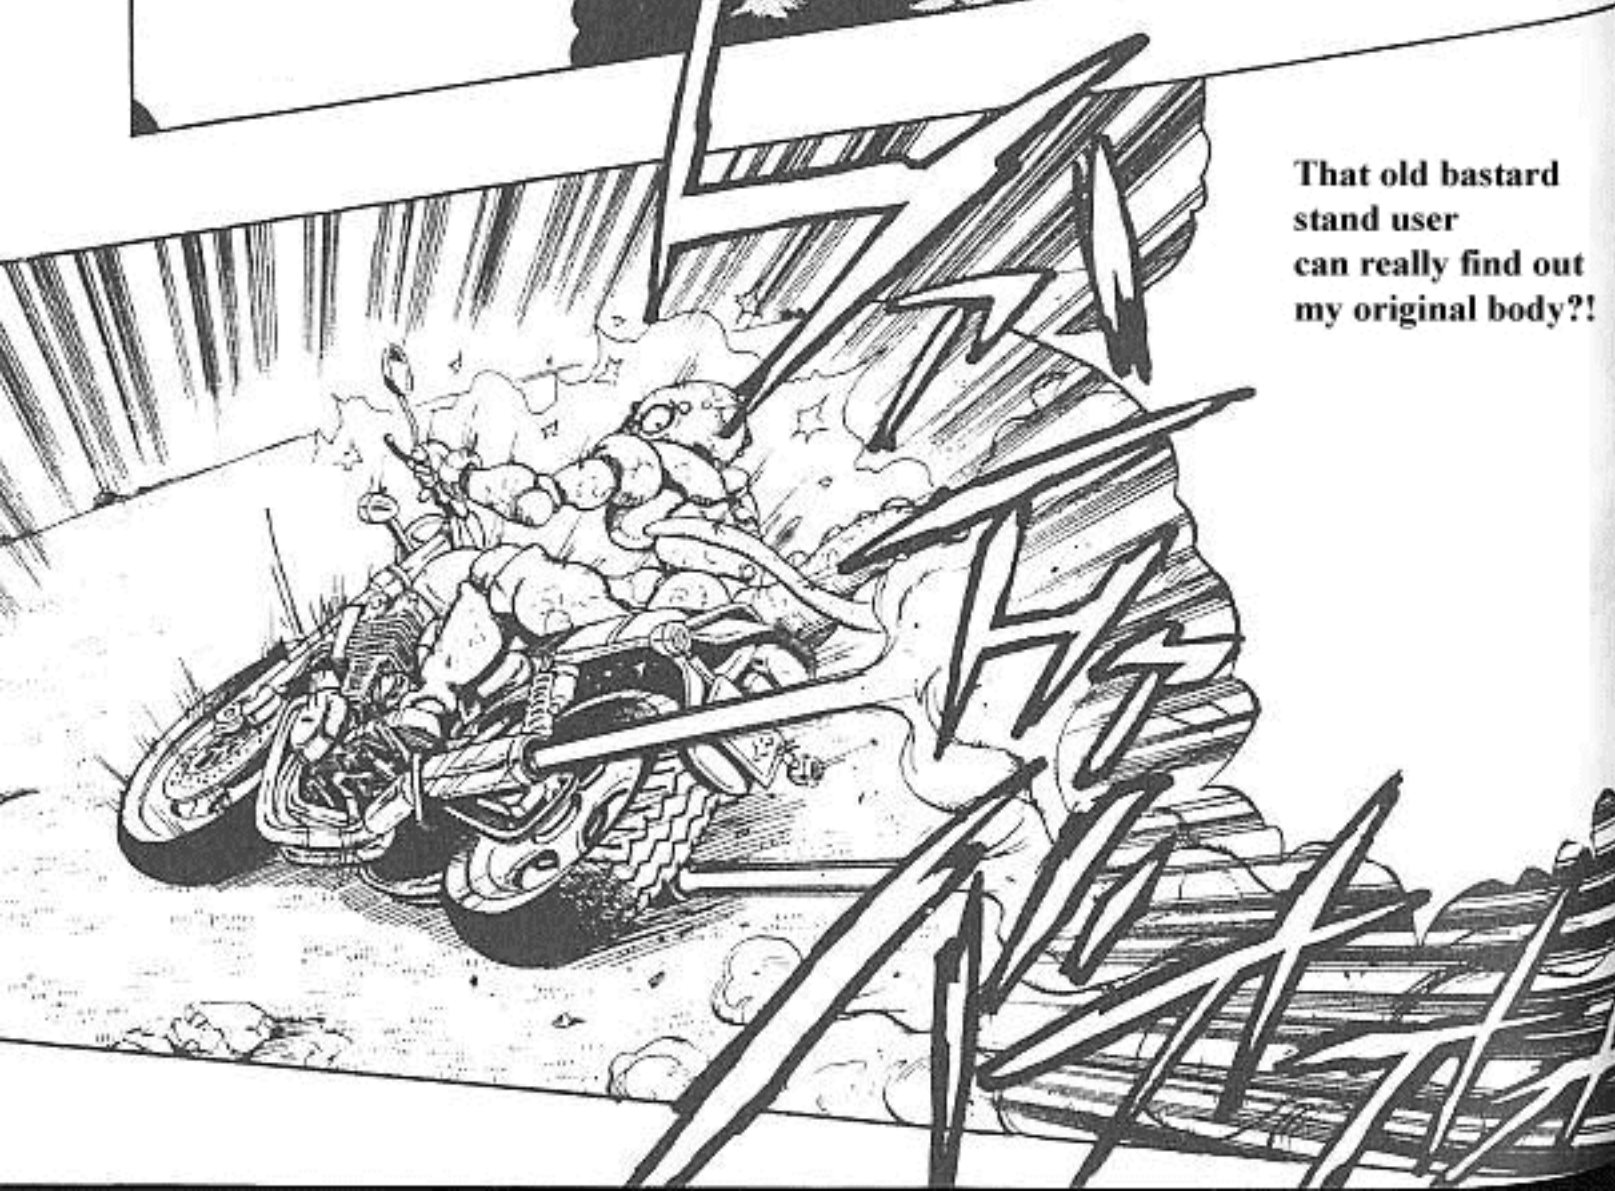

battery  
for the  
motor

This noon!

The dock!

That old bastard  
stand user  
can really find out  
my original body?!

「RED H

THAT  
I HEARD!

HEH  
HEH  
HEH...

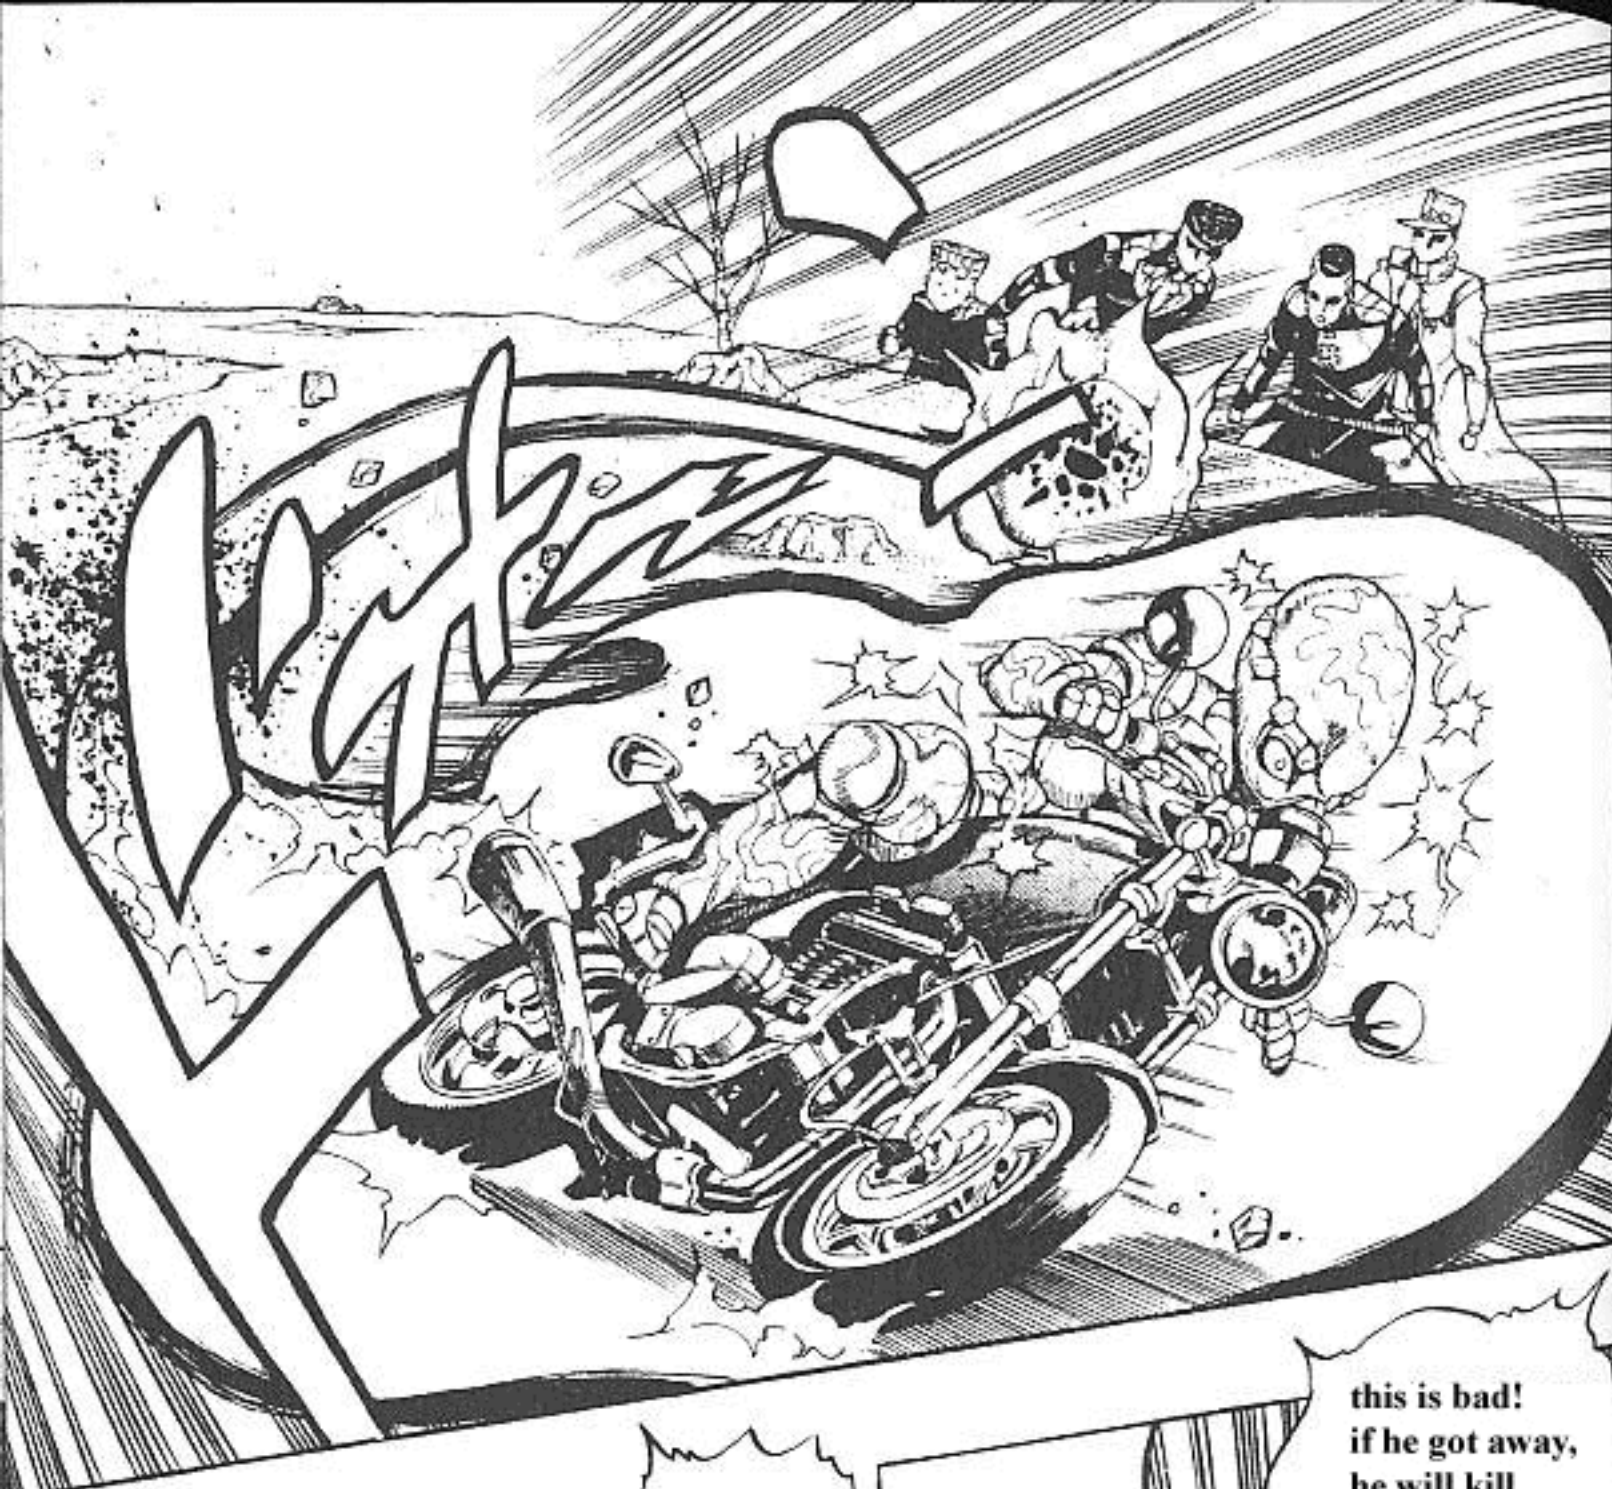

We checked  
there aren't  
any electric  
wires in this  
area!

How is it  
possible?  
how did  
he get here?!

!?

I AM NOT  
DONE WITH  
HIME YET!

NO  
WAIT!

Josuke!  
Use a rock  
to destroy that  
motorcycle!

this is bad!  
if he got away,  
he will kill  
grandpa before  
we can reach  
him!

HE KNOWS  
THAT  
JOSEPH  
JOESTAR  
WILL COME,  
JOSUKE'S

nothing

what do you want to say?!

maybe I am pretending to be very weak, so when Jotaro comes, he will not be guarded, I will look for a chance to cut his head off

you want to kill me?

how about it?

or wait for Jotaro!?

with my speed, if Jotaro is not guarded, I have confidence I can kill him at close range. maybe I am planning on this Okuyasu??

wait till we get there!

You won this battle, but we still have to ask him where we can find bow and arrow!

Okuyasu! don't kill him yet!

you really don't want to kill me?

but....

maybe I am pretending to be weak... Okuyasu?

no joke! I am getting weaker .....

your right hand is fast! powerful!

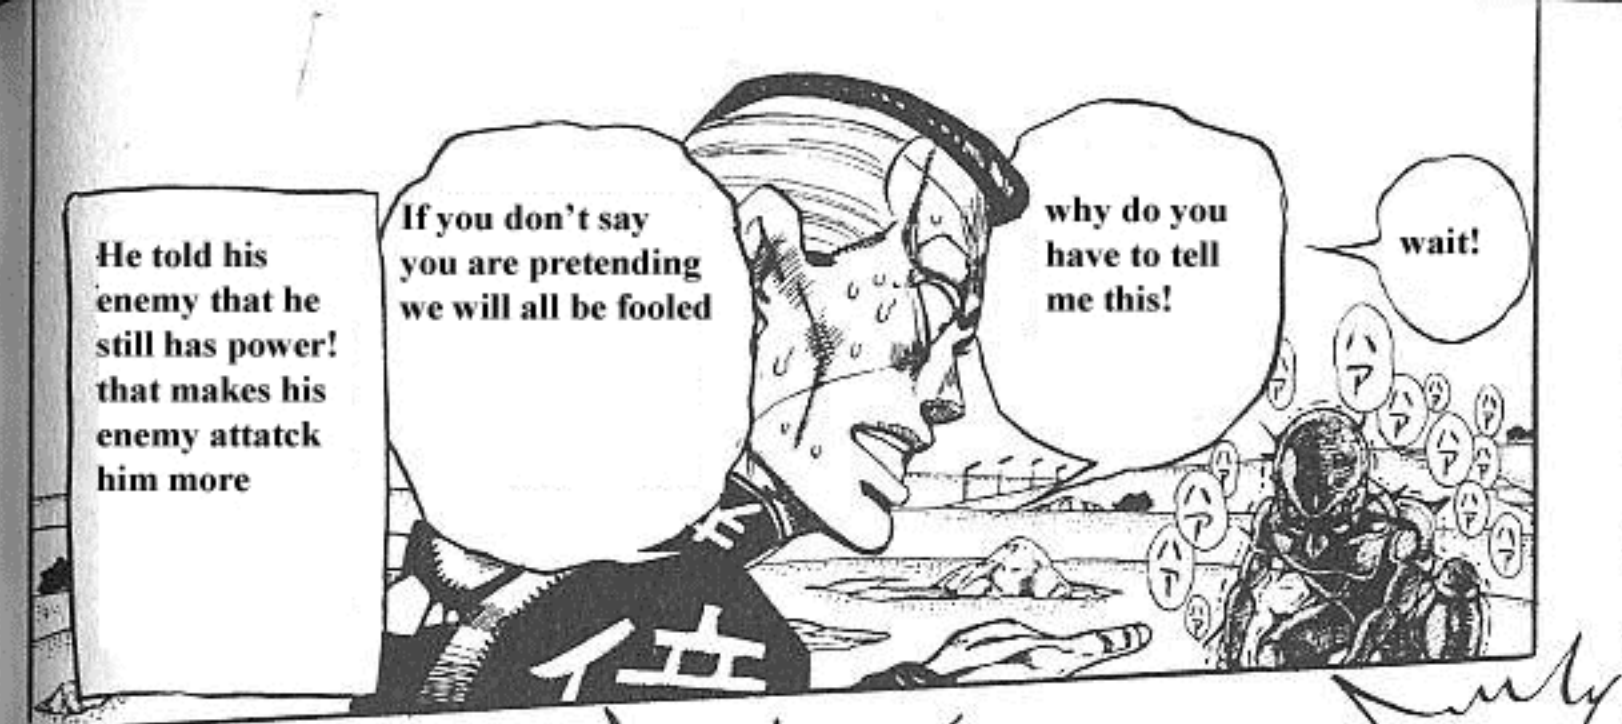

喔喔喔喔喔  
FUCK THIS!!!!

disappearing...  
my life  
is slowly....  
disappearing....

damn! I don't have  
much stand power  
left!

DIE!

YOU PIECE  
OF SHIT!!

THE ONLY  
THING THAT  
FEELS REAL  
IN MY HEART!

IT'S THE ONLY  
REAL THING

don't attack  
him!

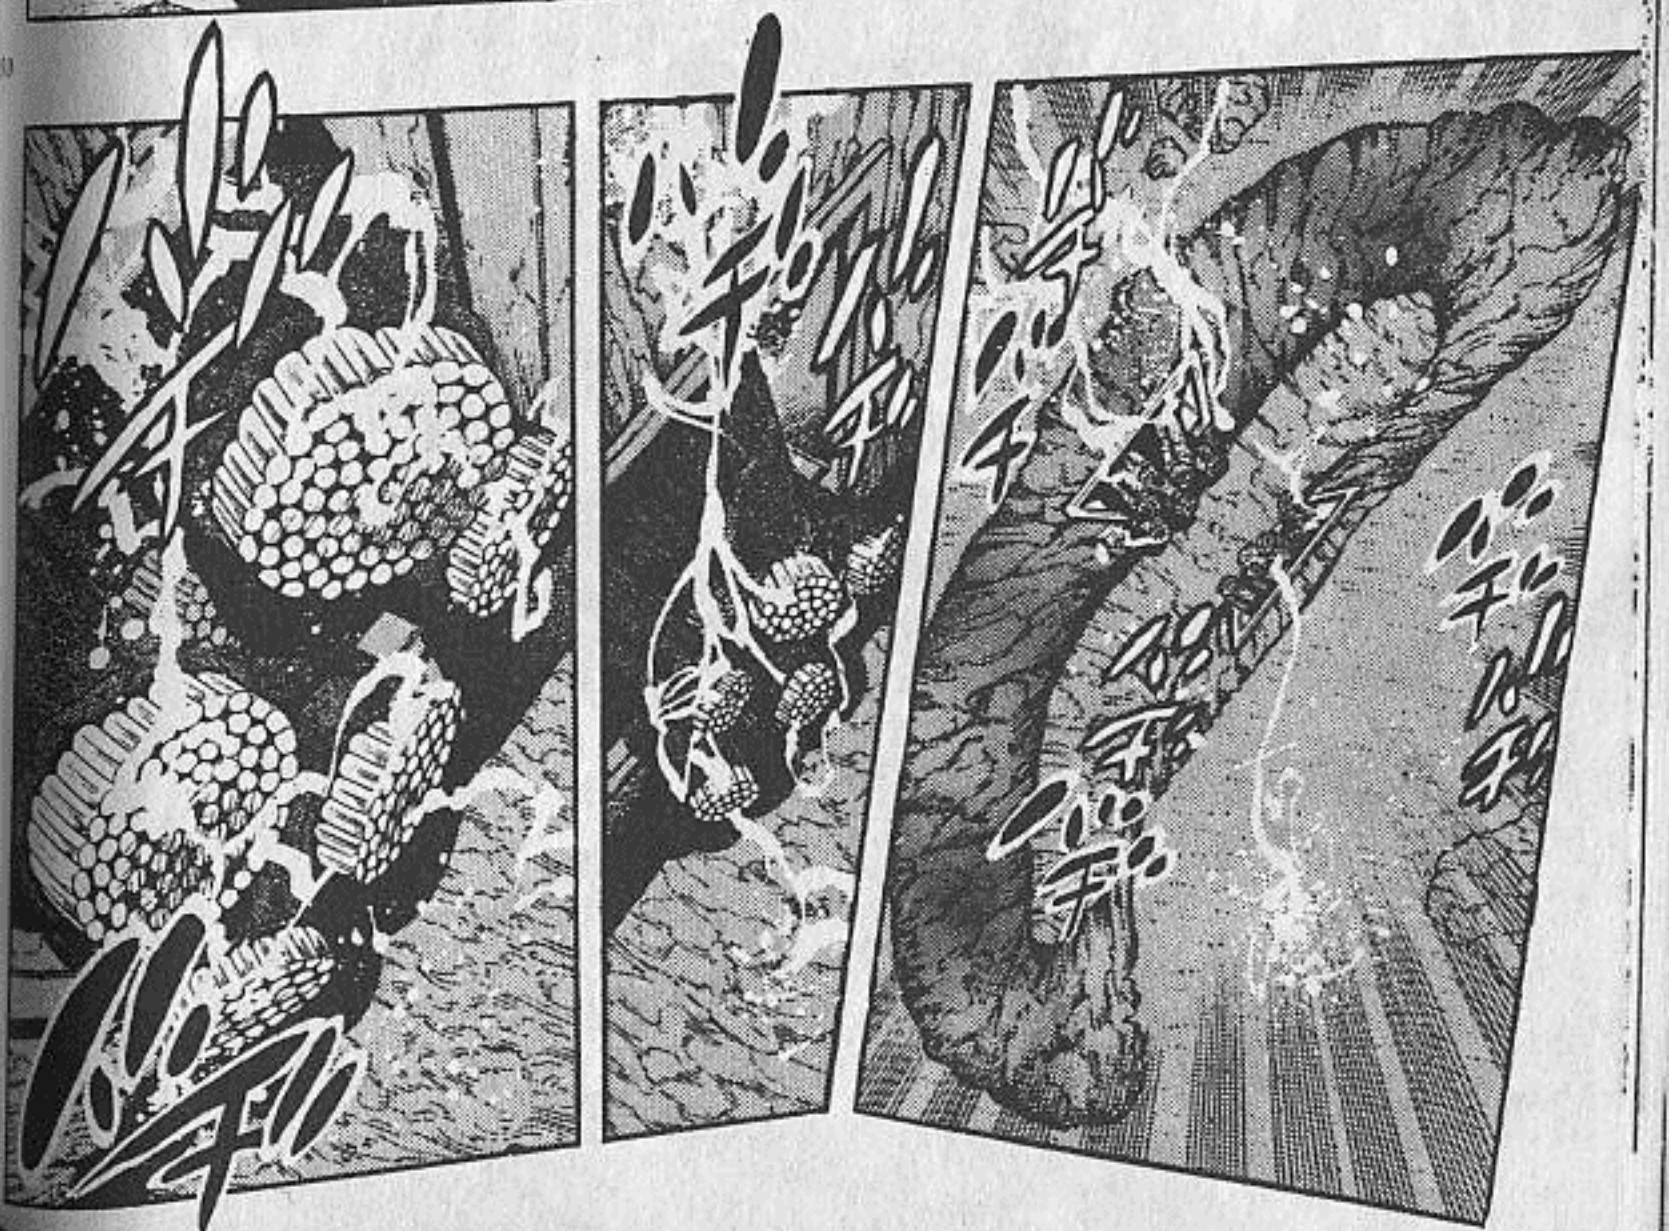

I WILL KILL  
HIM!

JOTARO!  
DON'T  
STOP ME!

I WANT  
VENGEANCE  
FOR MY  
BROTHER!

霹!

呀!

damn!  
he's much  
faster than  
before!

another word.  
the electricity in this  
whole town will  
help me

Blind

your bike's  
battery is only  
12 V

I was very  
weak then

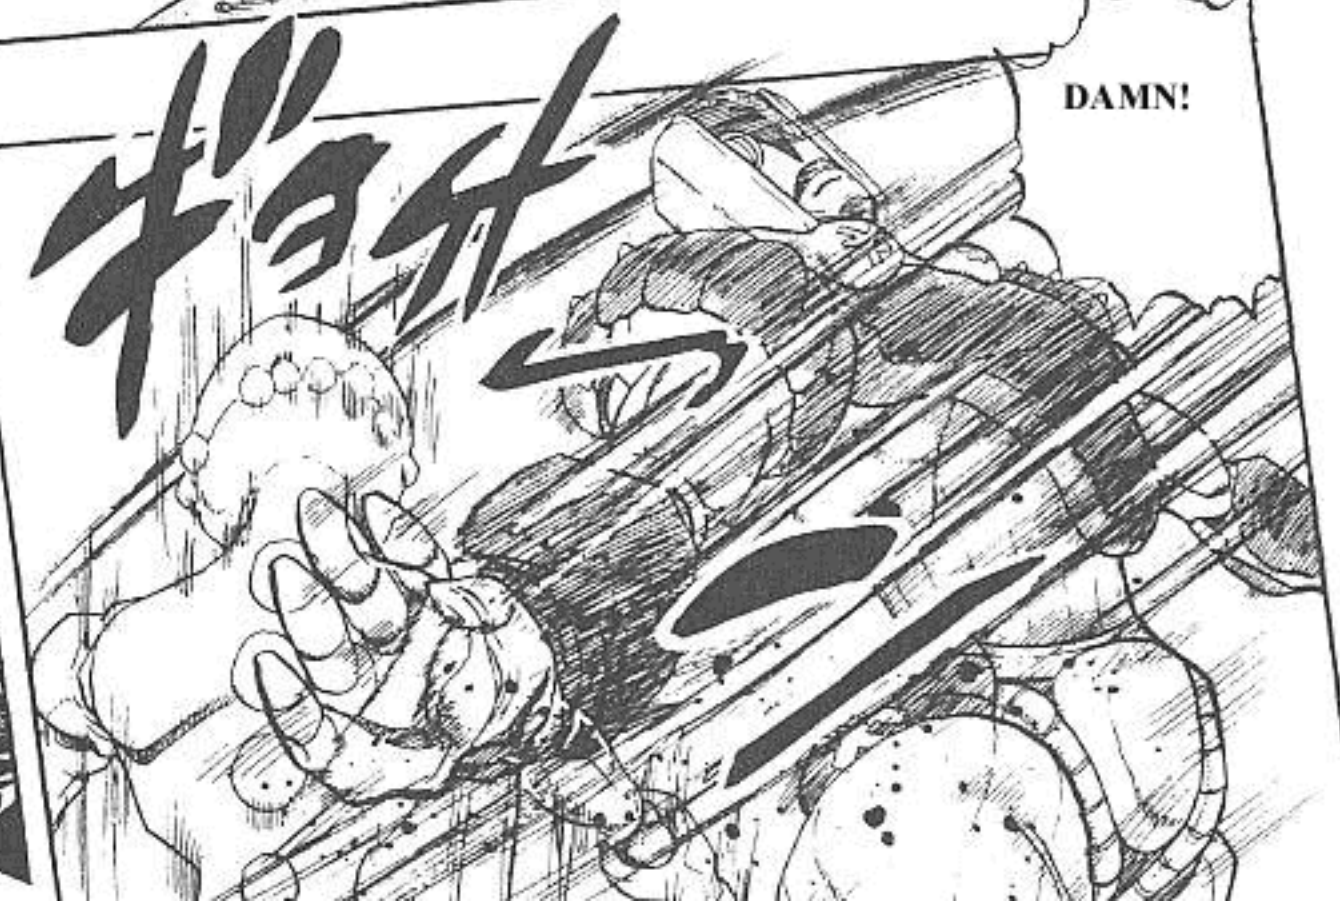

OKUYASU, if you had  
listened to Jotaro, not  
following me here to try to  
kill me, I would have died  
from lacking of energy

but this place  
is too far from  
the bike, plus  
my stand can't  
dig effectively

I know the power  
system of this  
town like the back  
of my hand

DAMN!

哇哈哈  
哈哈

your mind  
is so immature  
it's  
exactly  
right

If you can't  
exceed your  
brother mentally,  
you will never be  
able to revenge  
his death!

Your brother Keicho  
said you always got  
in his way

the one that's coming  
is Joseph Joestar?

I WILL LET THAT DEAD  
OLD BASTARD DIE  
LIKE THE NIJIMURA  
BROTHERS!

Bye,  
Jotaro  
and Josuke!

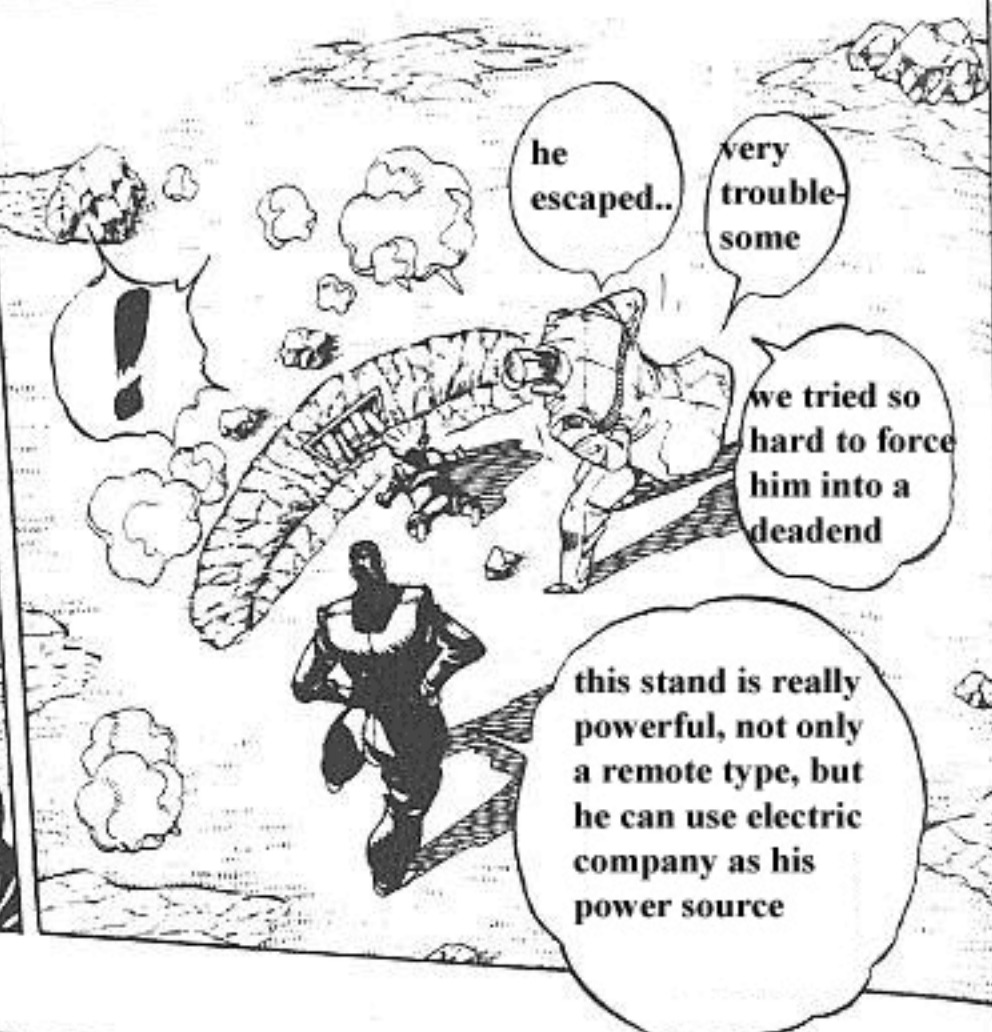

OKUYASU!!!

you are so indifferent!!

what are you guys saying?

he escaped..

very trouble-some

we tried so hard to force him into a deadend

this stand is really powerful, not only a remote type, but he can use electric company as his power source

NOT ONLY DO YOU NOT CARE ABOUT OKUYASU BUT ANALYZE ENEMY'S ABILITY IN SUCH RELAXATION!!!

OKUYASU HAS JUST BEEN KILLED!!!

啊?

RIGHT!

he's really lucky, this bastard has his bastard luck!

en..... we should worry about Okuyasu

good thing his right hand was cut off!

OKUYASU!!

哇啊啊!

I WIN!

哈：哇哈哈！  
哇哈哈！  
哈：

Okuyasu was pulled inside!!

Damn!

啊?  
?

OKYUASU IS  
BACK!

耶!  
!

I have...

complete  
lost to  
that guy

I hate

I am gonna heal  
this hand now, his  
body will be back!

CRAZY  
DIAMOND!

Mr. Joestar

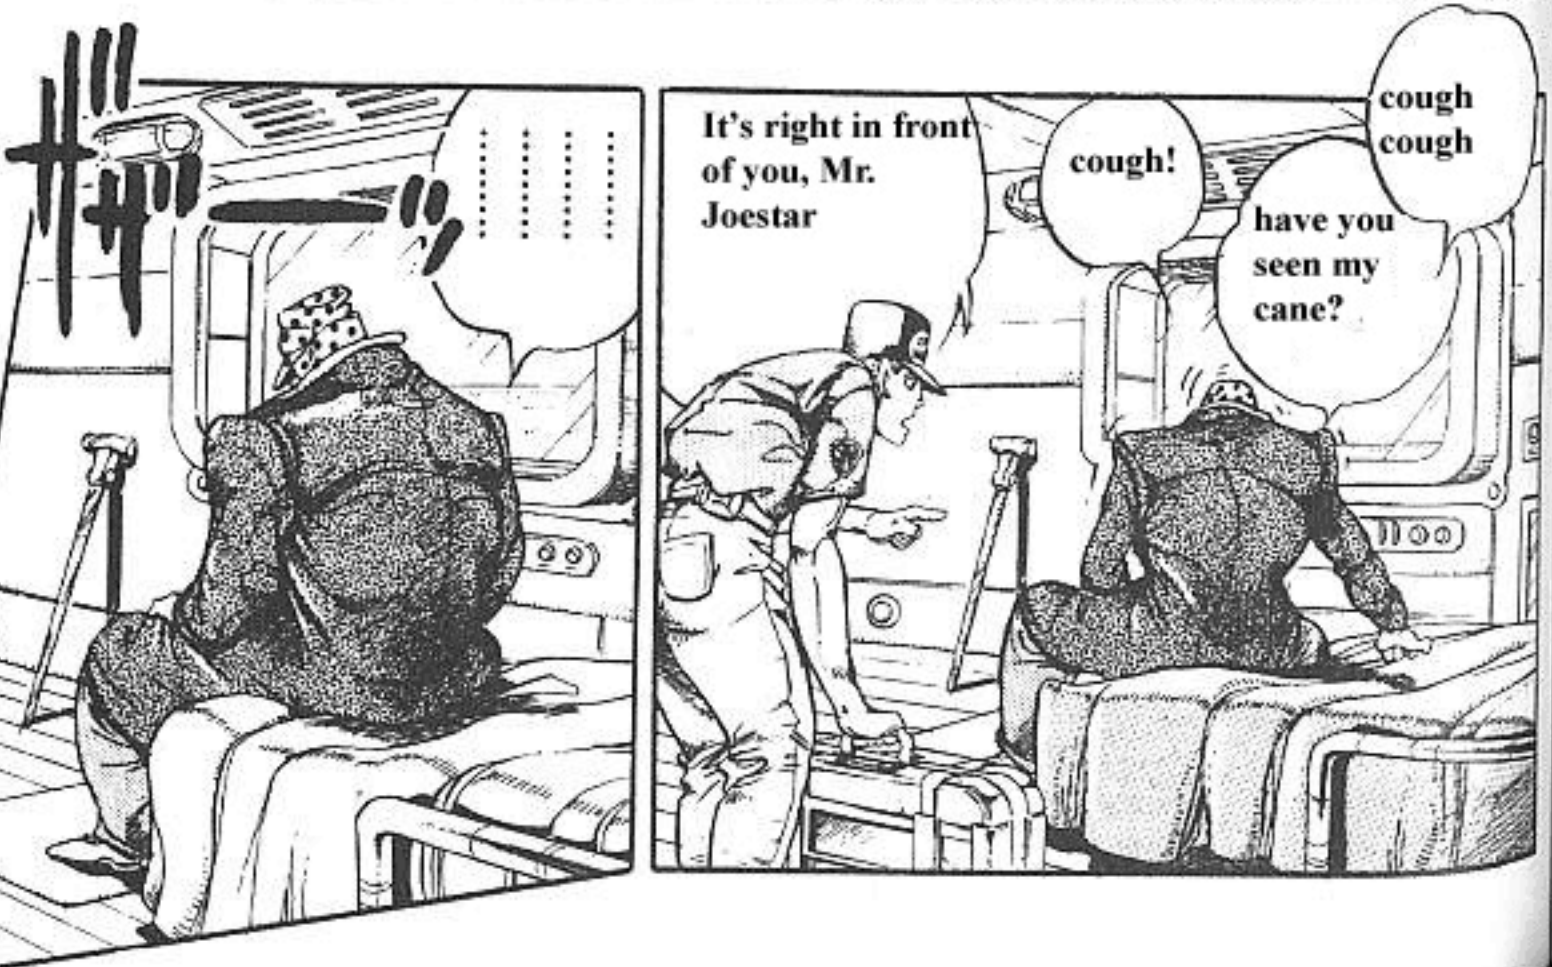

we will be there in 20 minutes

of course otherwise you won't reach there

do we have to...

walk?

It's right in front of you, Mr. Joestar

cough!

have you seen my cane?

cough cough

This thing is really important for defeating red chilli hot pepper, for our town you should endure the anger for now.

now you shouldn't think about winning or losing if you fight him. we should concentrate on protecting Mr. Joestar first!

gotta be better than my brother, red chilli hot pepper, you gave me a very good lesson!

Okuyasu is sad, why don't you guys come and comfort him a little

HEY, you guys are so indifferent!

we gotta reach your grandpa at the dock before him

Jotaro red chilli hot pepper is really tough

everything is fine, we can take off now.

he can't hide in the battery of the boat

we checked this boat

otaro

we can save grandpa

If we are faster than him

Josuke

what are you saying?

what

you want us to stay

嗯?

You and Koichi stay here!

Josuke

me and Okuyasu will take the boat

啊!

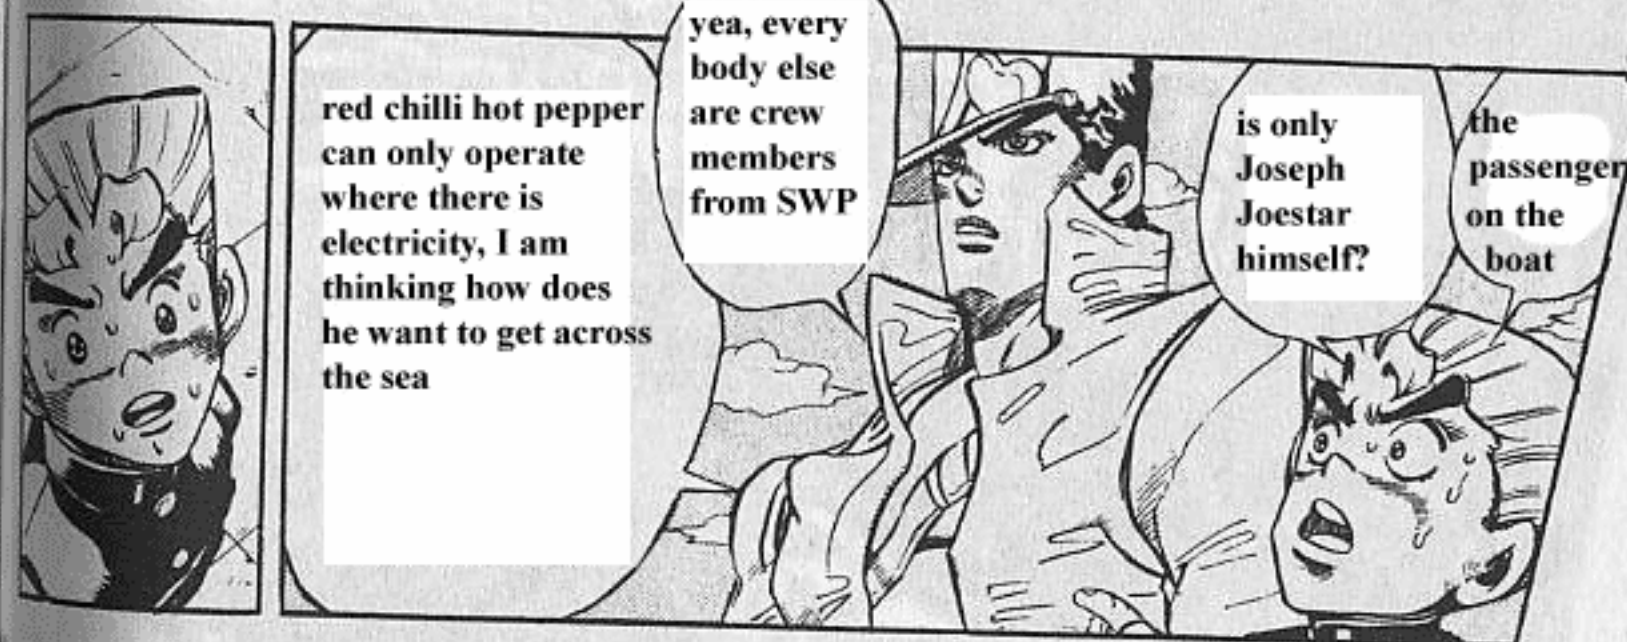

it's very accurate...

it's only 20 min away

it's here

grandpa's boat is here

.....

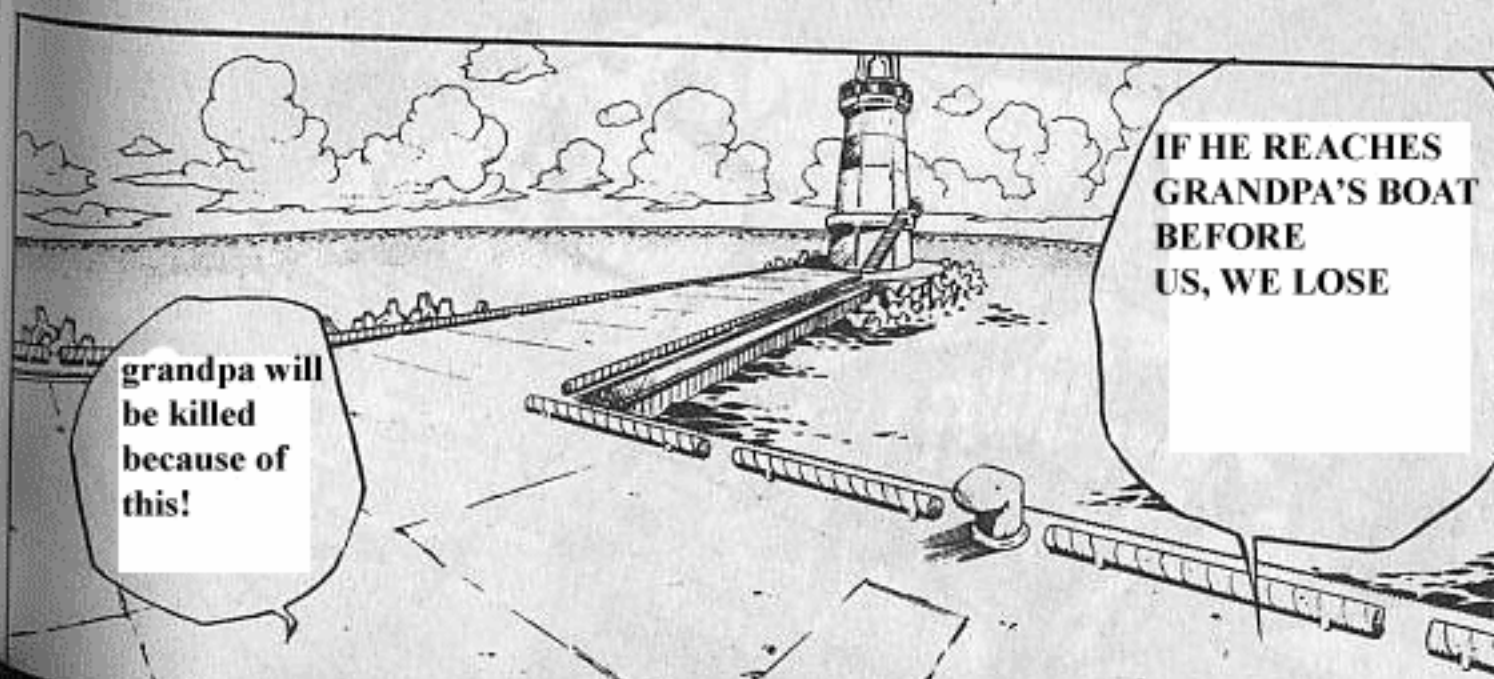

red chilli hot pepper can only operate where there is electricity, I am thinking how does he want to get across the sea

yea, everybody else are crew members from SWP

is only Joseph Joestar himself?

the passenger on the boat

grandpa will be killed because of this!

IF HE REACHES GRANDPA'S BOAT BEFORE US, WE LOSE

FLYING  
PLANE  
MODEL?

right, because he just  
stole a remote control  
model from a model  
store

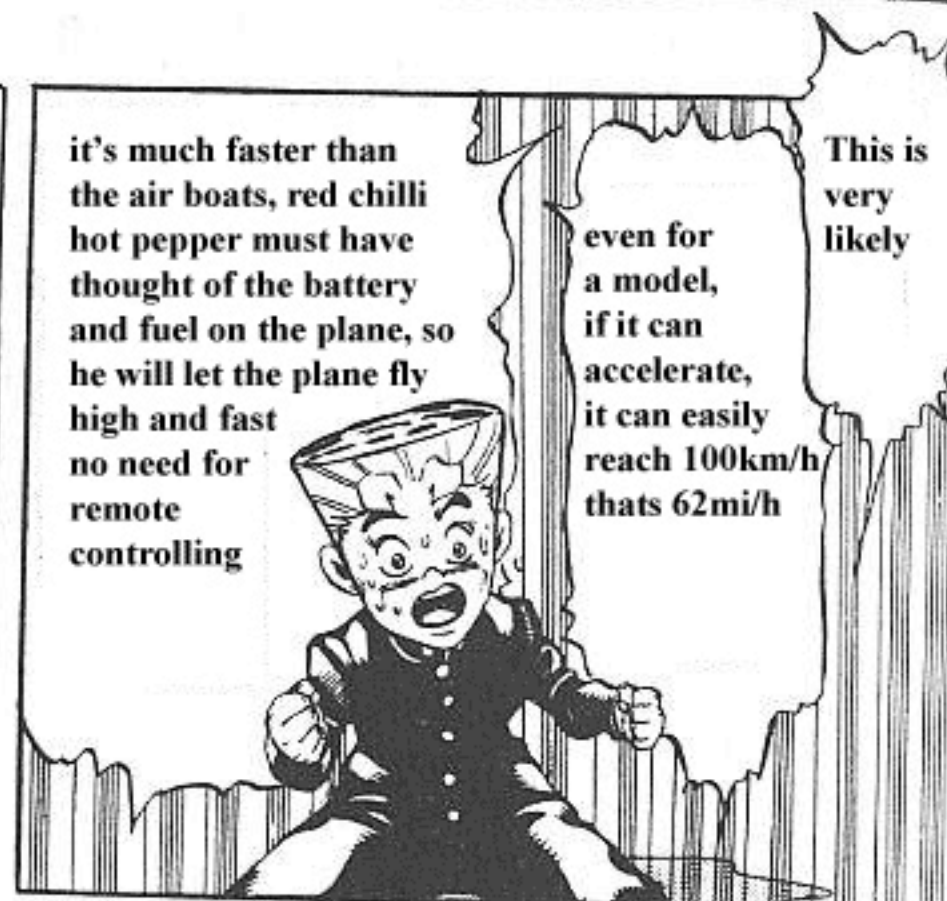

you're  
saying he  
will use  
something  
that can  
fly?

flying  
over?

IF THAT THING CAN  
REACH THE BOAT  
FASTER THAN OUR BOAT  
THEN YOU WILL HAVE  
TO PROTECT YOUR  
FATHER ON LAND!

it's much faster than  
the air boats, red chilli  
hot pepper must have  
thought of the battery  
and fuel on the plane, so  
he will let the plane fly  
high and fast  
no need for  
remote  
controlling

even for  
a model,  
if it can  
accelerate,  
it can easily  
reach 100km/h  
thats 62mi/h

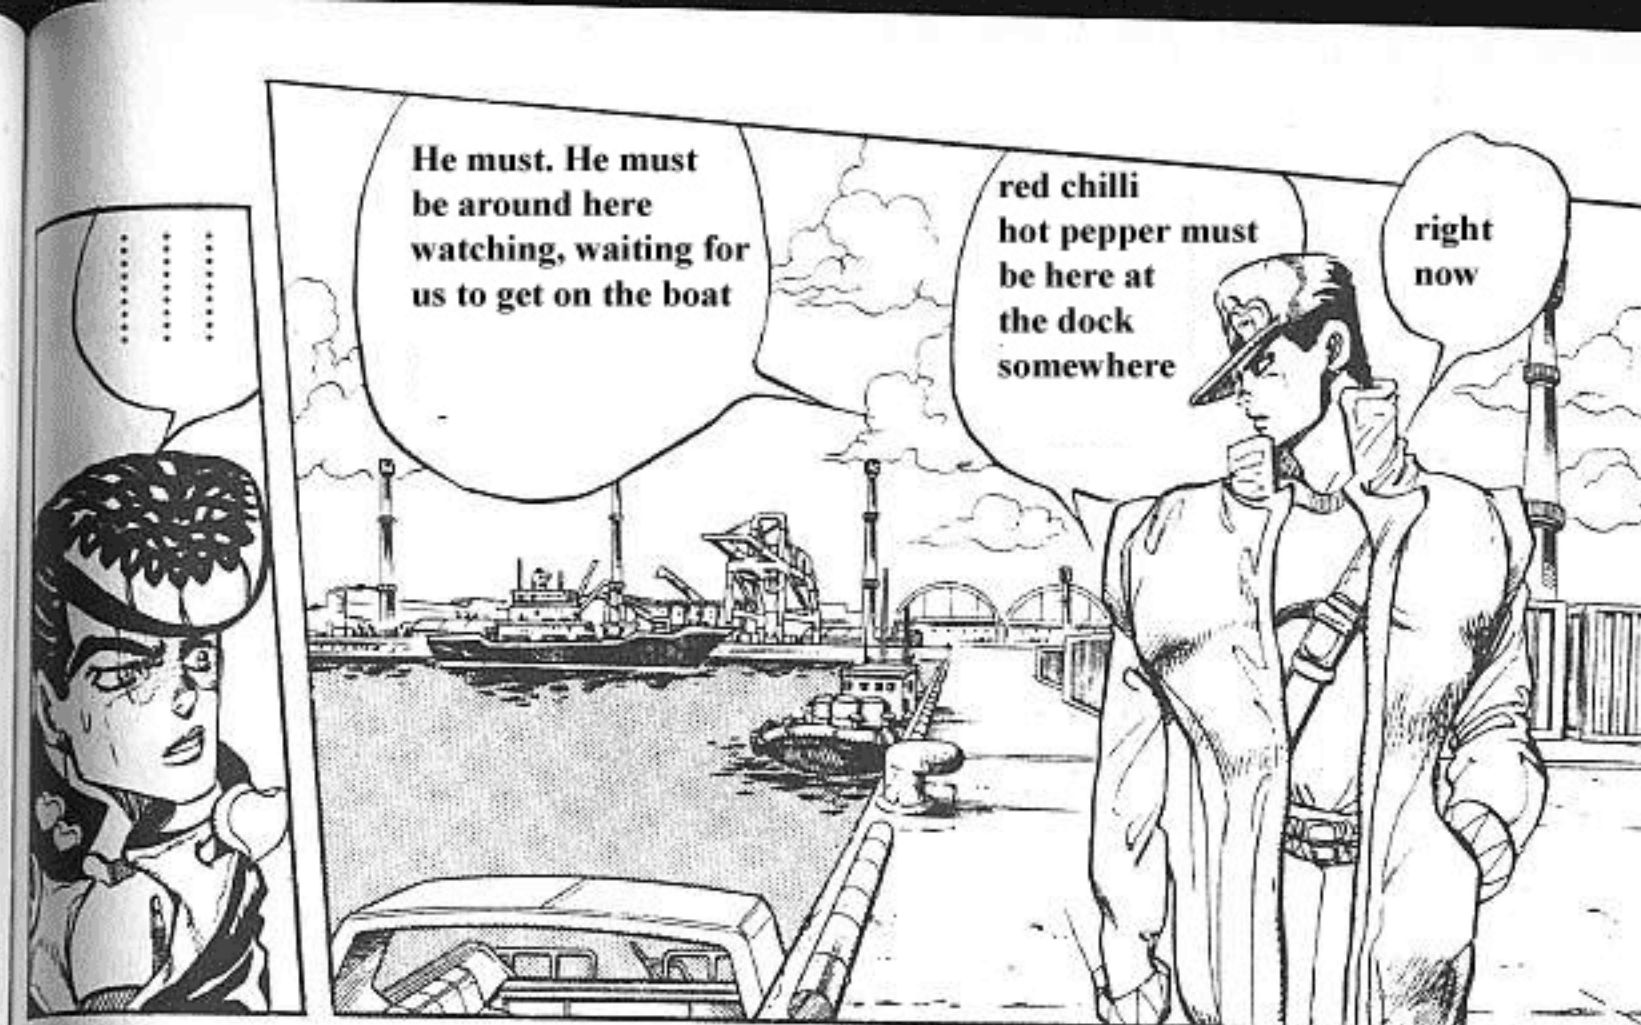

This is  
very  
likely

你們一定要  
留在港口弄  
清楚，到底  
什麼玩意會  
飛上天空。

仗所  
助以

廉一的「ECH  
OES」會協助  
你找到在射程  
50公尺之內所  
發射的東西。

He must. He must  
be around here  
watching, waiting for  
us to get on the boat

red chilli  
hot pepper must  
be here at  
the dock  
somewhere

right  
now

fly?

!?

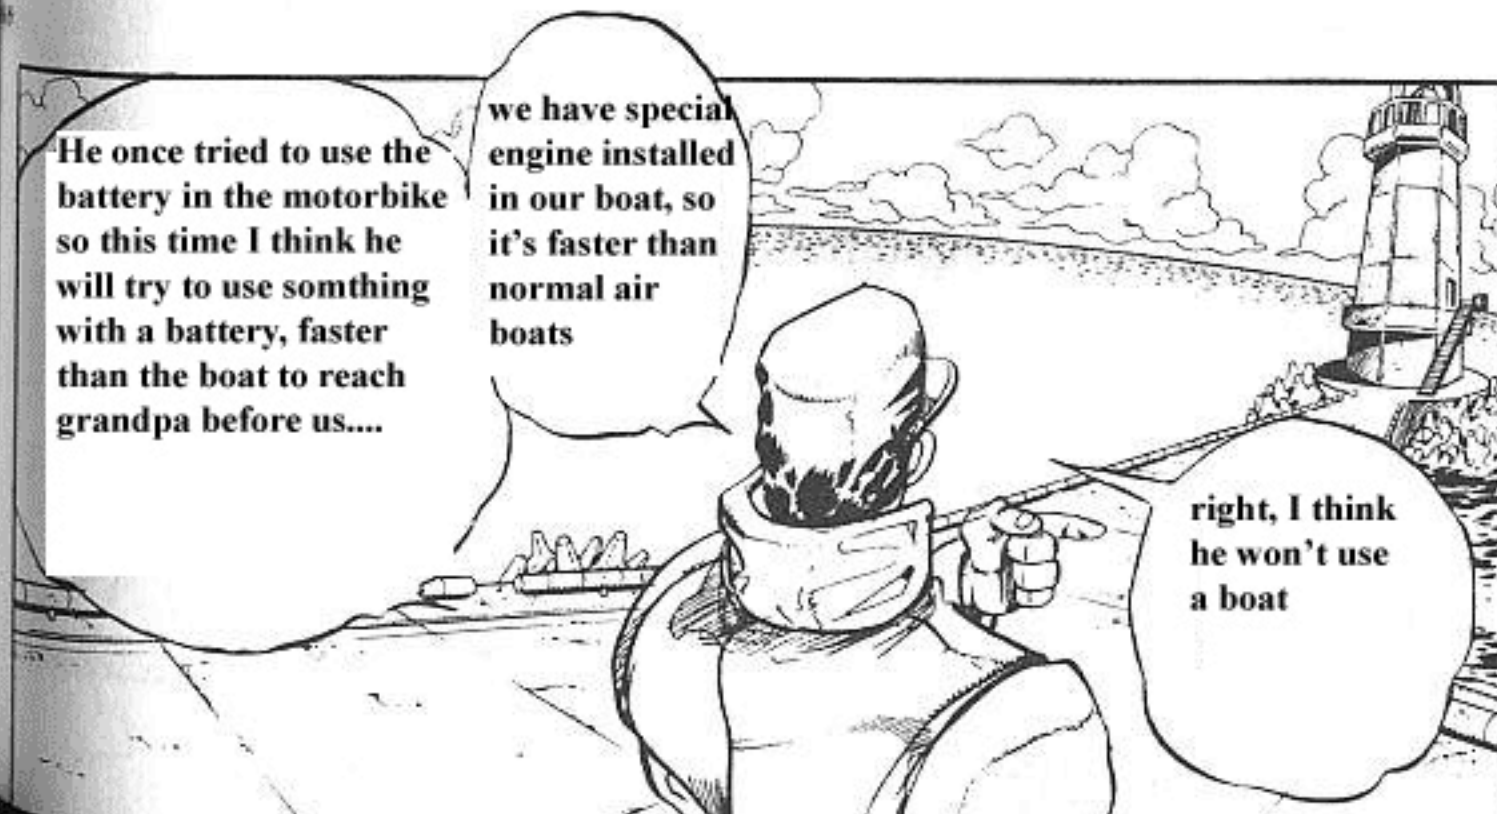

you are  
saying flying  
in the sky?

fly?

once we get on  
the boat, he will  
send something, fly  
toward grandpa's  
boat

then....

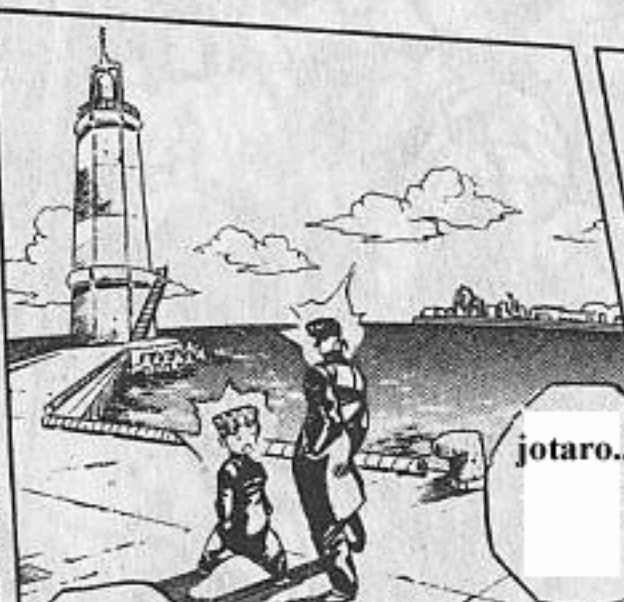

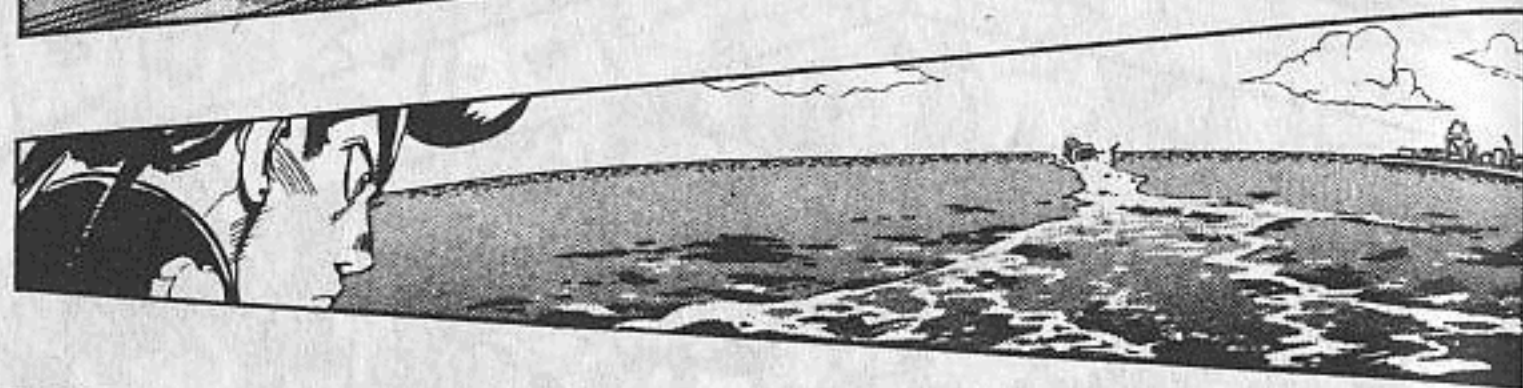

He once tried to use the  
battery in the motorbike  
so this time I think he  
will try to use something  
with a battery, faster  
than the boat to reach  
grandpa before us....

we have special  
engine installed  
in our boat, so  
it's faster than  
normal air  
boats

right, I think  
he won't use  
a boat

even figured  
out about my  
remote game  
fuck!

jotaro...

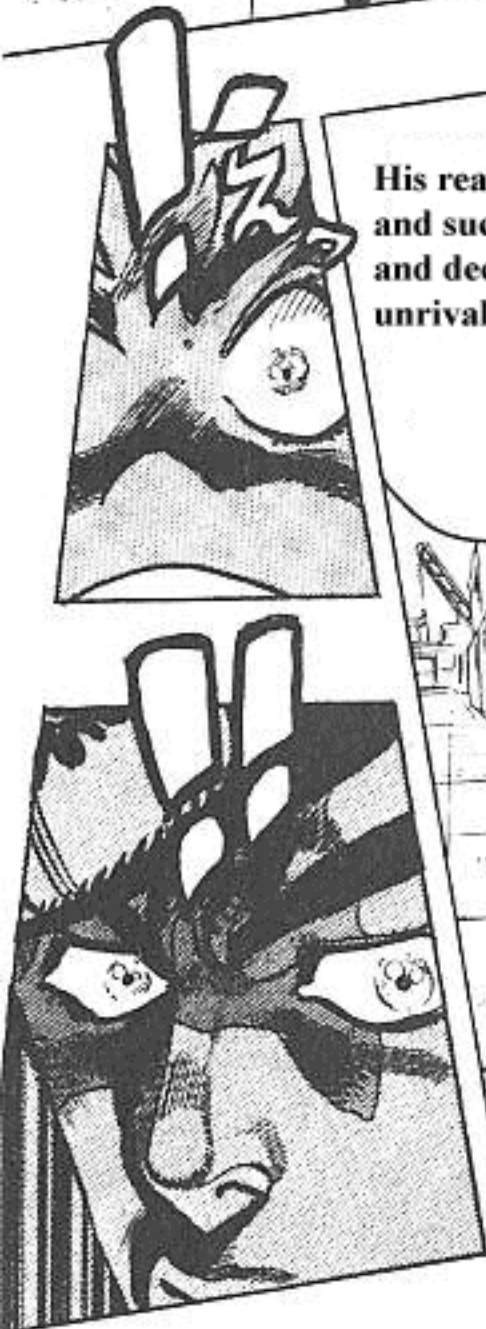

damn him!  
to find out  
about me, he  
left you guys  
here

YEAH!

His reasoning ability  
and such a accurate  
and decisive mind is  
unrivaed...

I really don't  
want to be  
found by  
him

Jotaro  
is really  
sharp

YOU....

he is really  
good at this

My remote plane  
plot, all ruined  
because of him!

YOU ARE  
RED  
CHILLI  
HOT  
PEPPER?!?

So it will take  
only 5 minutes  
to reach Joseph's  
boat

But Jotaro's boat,  
will take at least  
8-10 minutes to reach

another  
word....

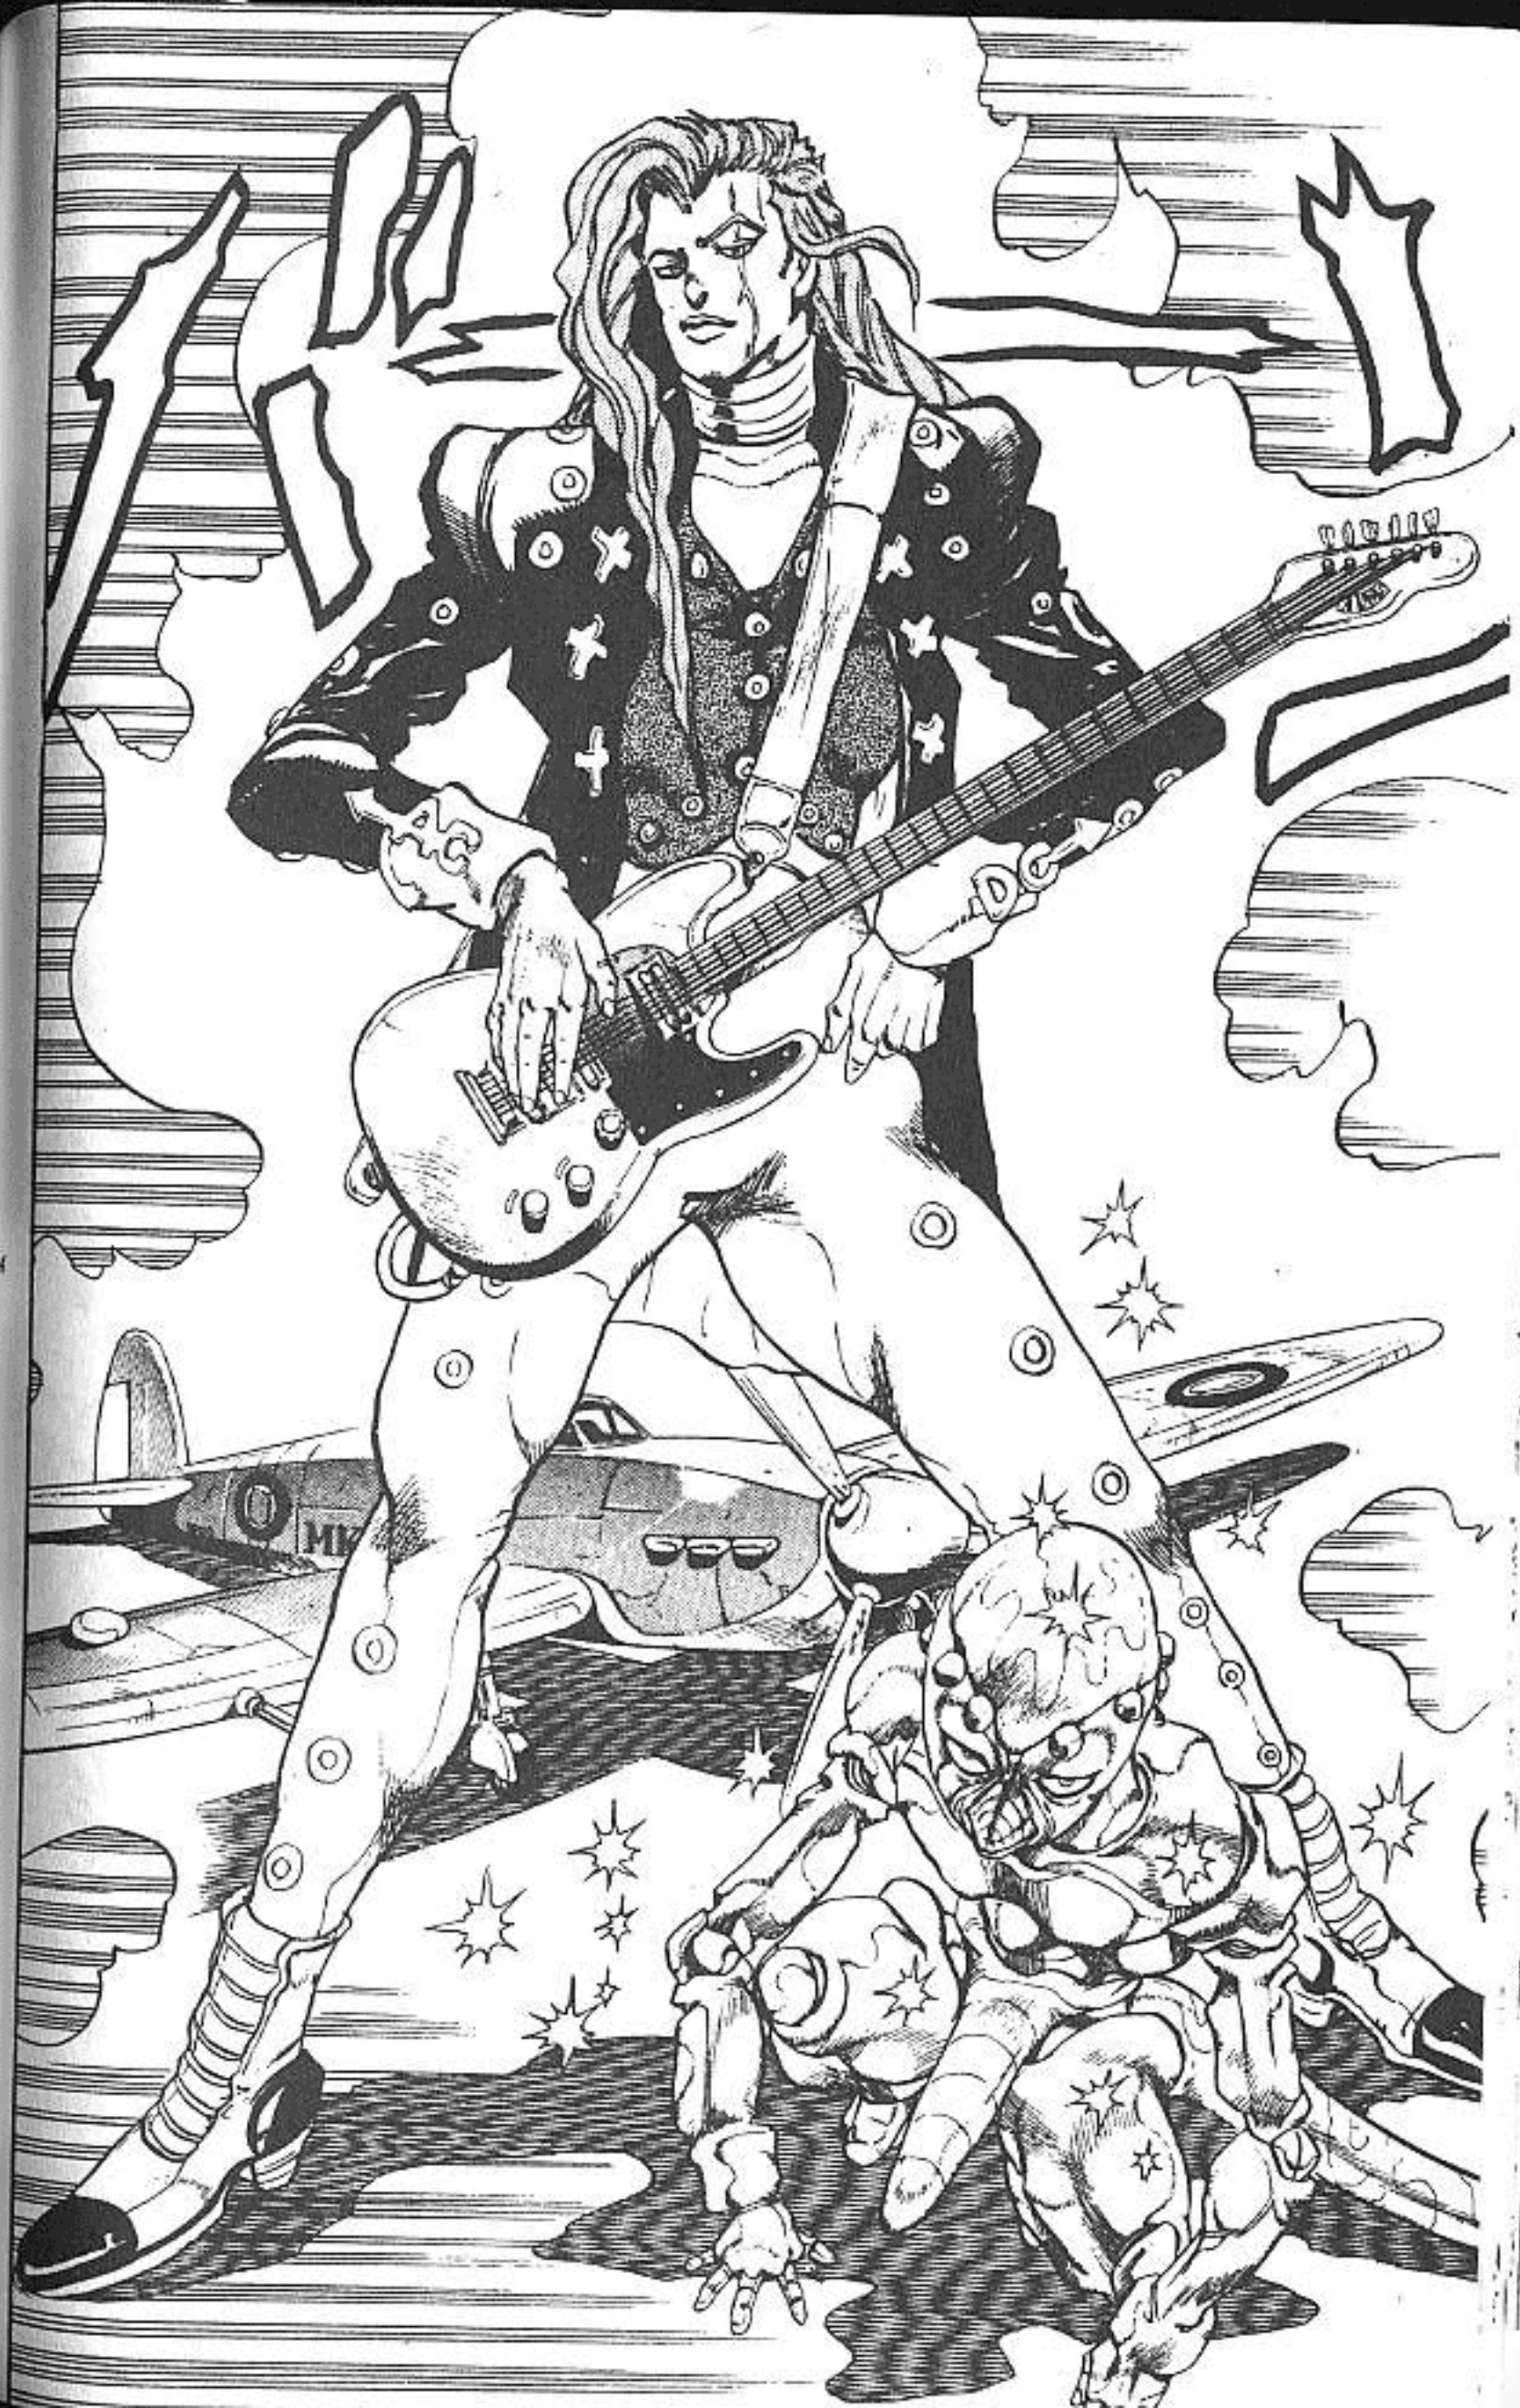

My remote plane  
Speed fire, can  
reach the speed  
of 150km/h, that's  
about 93 mi/h

YOU REALLY  
CAME!

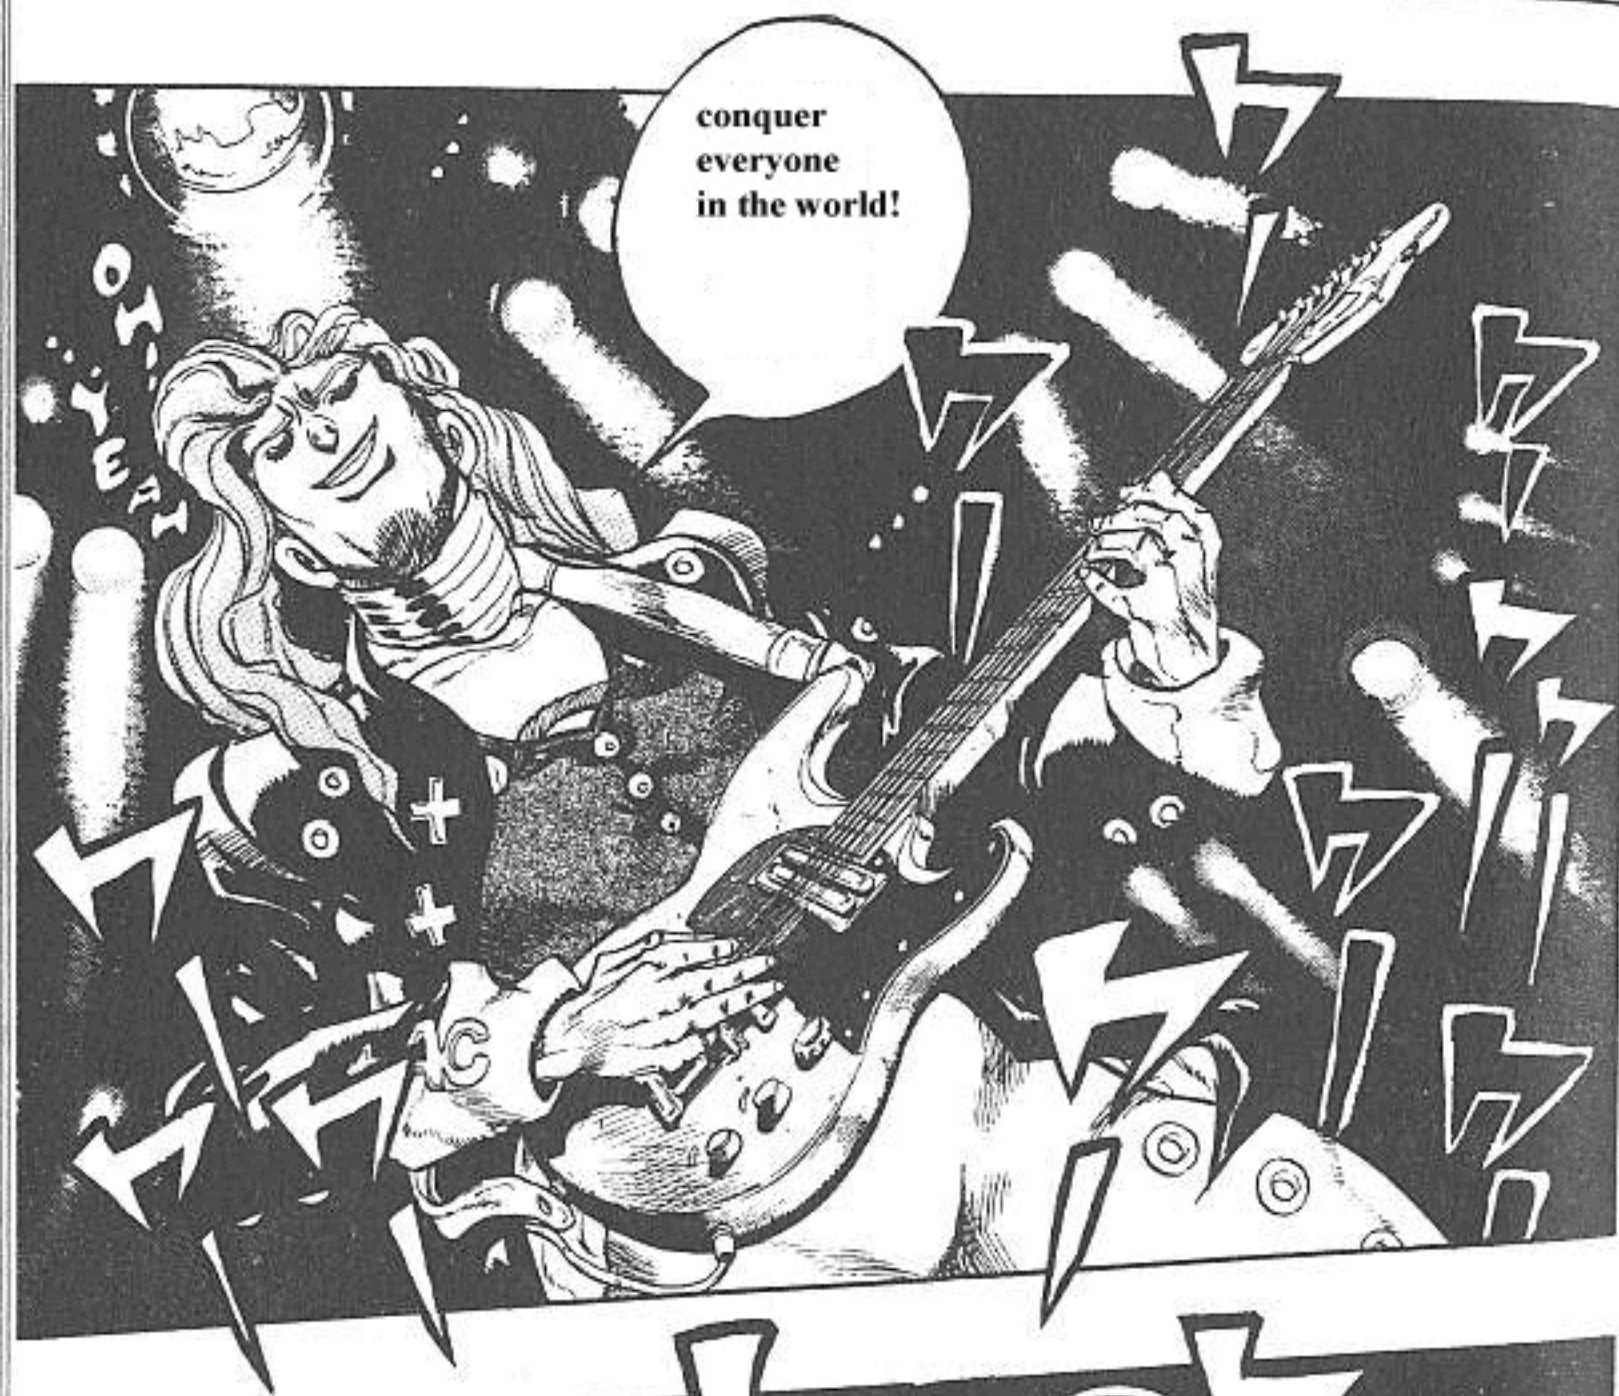

You have  
finally  
emerged!

you are  
red  
chilli hot  
pepper  
himself?

I HAVE 3 MINUTES  
TO FINISH YOU GUYS  
OFF, AND START THE  
PLANE

I JUST NEED THIS  
LITTLE FINGER TO  
LET YOUR ARMS FLY,  
LIKE HOW OKUYASU  
LET THE BOAT FLY JUST  
NOW!

for your  
crazy diamond

He comes out to  
introduce himself,  
he has 100 percent  
confidence that he  
can kill us!

that  
means

it's  
really  
him

can't  
believe

what is this?  
he dare to  
show his  
original  
body!

Koichi,  
you get  
back!

If something  
happens to me...

You  
try your  
best to  
escape

no time  
to play  
we can  
finish this  
pretty quick

he he....  
leaving  
final words  
eh?

there is only  
one way to find  
out if I have a  
secret weapon

COME ON!!

啊 哇 哇  
： 啊 啊  
： ！ ！

If you are gonna  
use your baby  
finger, then I am  
gonna use my  
secret weapon!

wait!

唔!

come on!  
Josuke  
Higashikata!

Quit trying to scare me off  
what kind of secret  
weapon will you have?!

Red Chilli Hot Pepper

Akira Otoishi's Guitar

top part

made with naturally hard peach wood, so the sound quality is excellent. for this finger plate, Akira stole the 100 year old peach wood that's used for making warming pots. so the sound from this guitar feels hefty and deep

electric guitar's mic

with this the player can let the electric rings charge up by letting the strings vibrate, once the electric rings are charged up, they isolate the noise with the noise-cancelling plate, 2 plate usually works better than 1. Akira likes the 2 plate design in electric guitars

bottom part

total length: 62.5m

made from central south america red wood in 1993. red wood is the highest quality wood for guitars, when playing, this material will absorb the sweat of the player, also making the sound strong and deep. so the more the player has to offer, the better the sound effects are gonna be. Akira stole his dad's money and bought it...

vibration system: if the player's hand vibrates, there will be corresponding vibrations in the music as well.

## SWP Organization

at the beginning of this century, the lone english man Speed Wagon, arrived at USA and started his own oil business. He has became one of the world's richest men. (died 1939) Speed Wagon decided that after his demise, the large sum of his fortune will be used for medical research and wild animal and plant protection. In this organization exists a department called Super Natural Research Department; this department is responsible for supporting Joseph and Jotaro with everything they need. This is also the will of Speed Wagon himself. The headquarter of this department is in Dallas, TX USA, it also has a few offices in Japan
